**"There wouldn't be a sky full of stars if we were all meant to wish on the same one."**

**There are infinite memorable experiences in high school, some explosive, other dormant, some bright and some that give you the sensation of being pulled into a black hole. They are all a part of life, as stars are a part of the night sky. This yearbook is a snapshot of our night sky, three years of our lives that have seen us grow, experience life lessons, create new relationships; and strengthen old ones.**

**As our stars gather, be it in sports teams, clubs, SU activities, celebrations and countless Voyageur days, we produce incredible constellations unique to our LaZerte family. We have stamped our night sky with all of these events in hope we can reminiscence for years to come.**

**Show-casings in talent, academic awards and leadership events have provided opportunities for the stars of LaZerte to shine bright not only within our school, but in the community. As you leave LaZerte's night sky, we know you will continue to shine.**

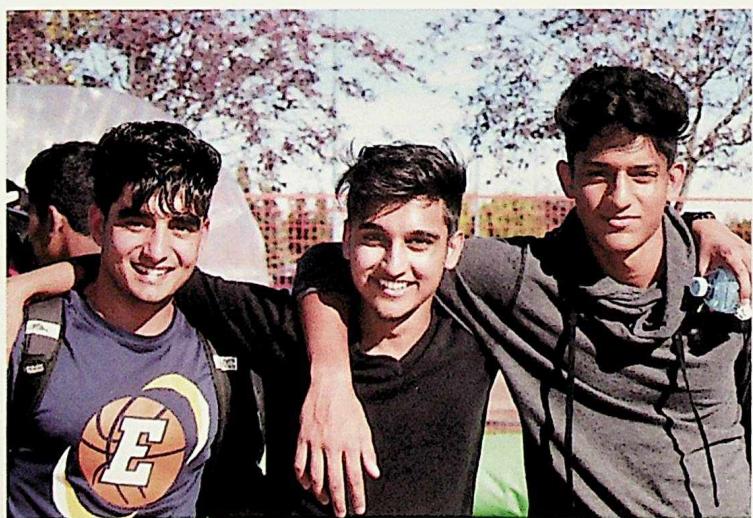

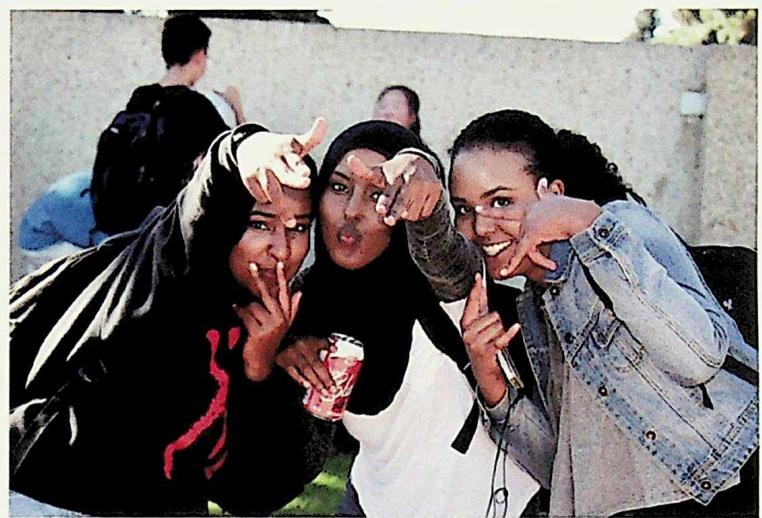

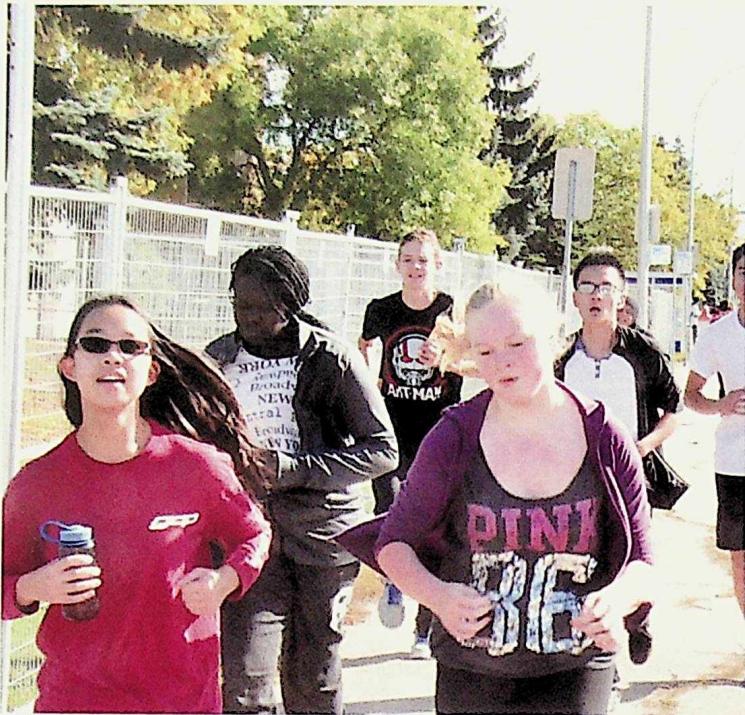

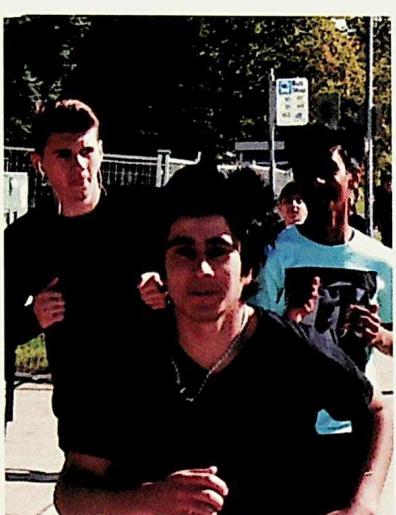

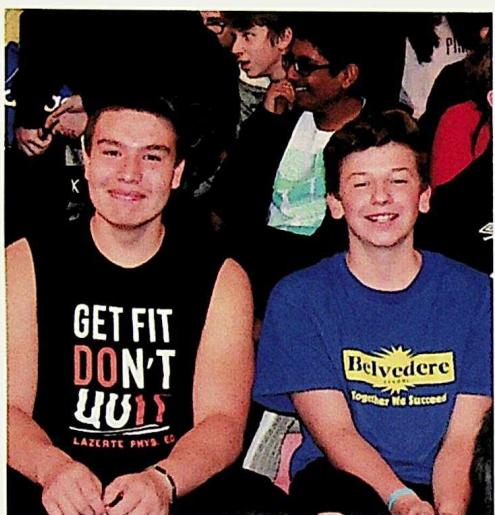

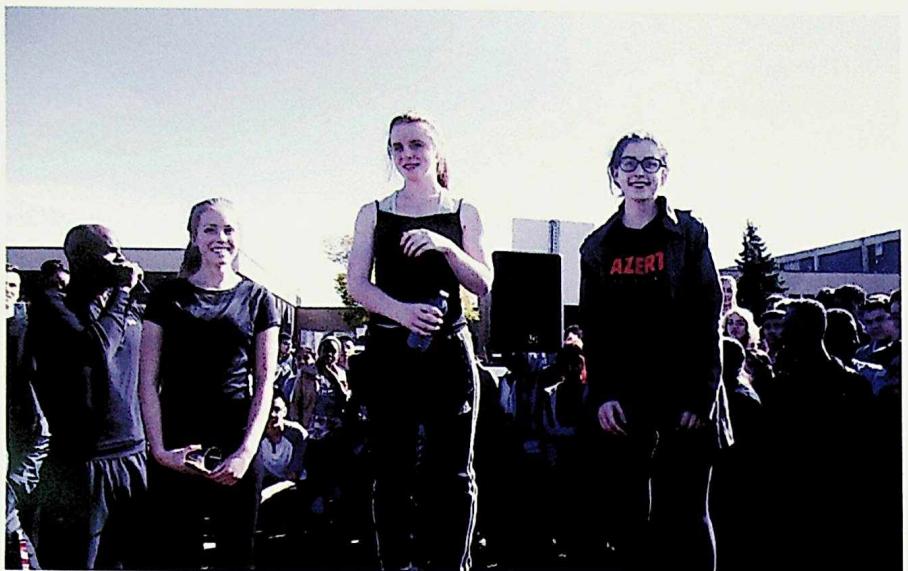

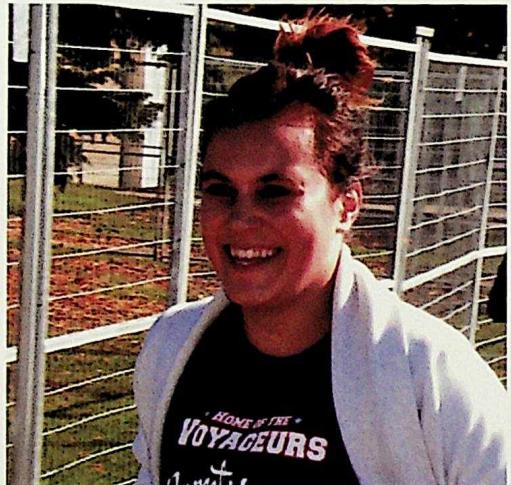

# September

We kicked off the school year by welcoming our new voyageurs with a week of fun activities. Before we were launched into the world of homework and exams, we took this month to ease in and reunite with old friends. The Terry Fox run also took place this month, and our students did an amazing job raising money and taking part in the run.

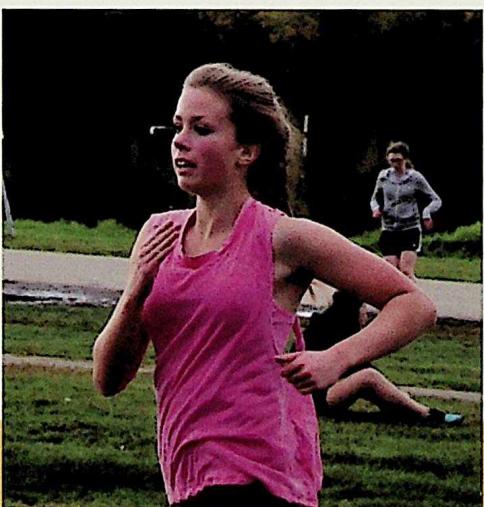

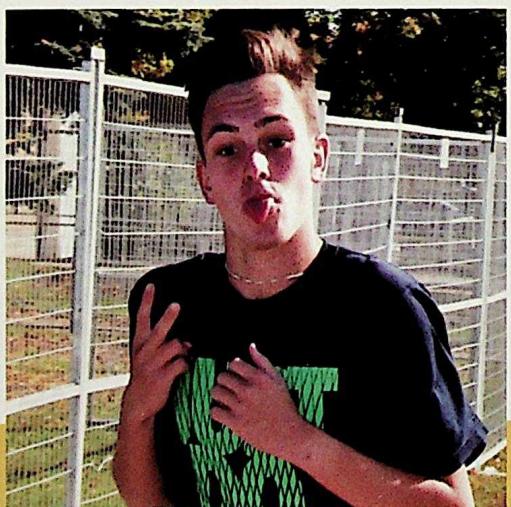

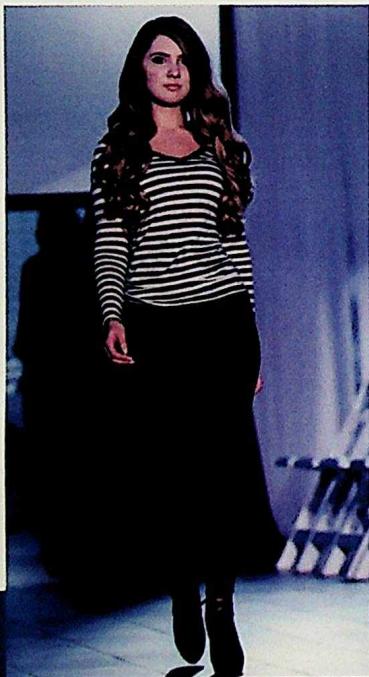

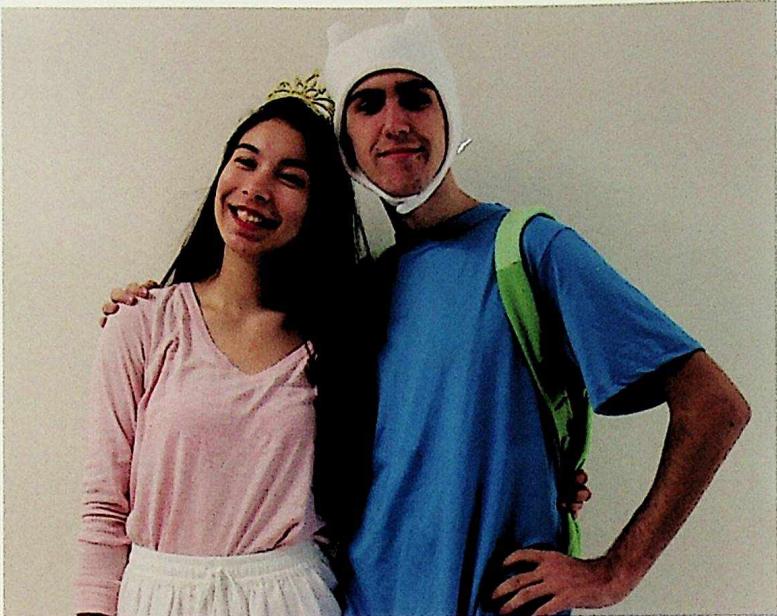

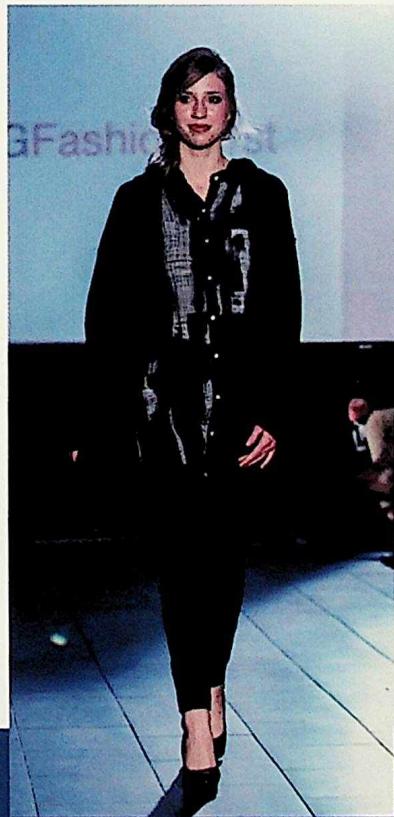

# Terry Fox Run

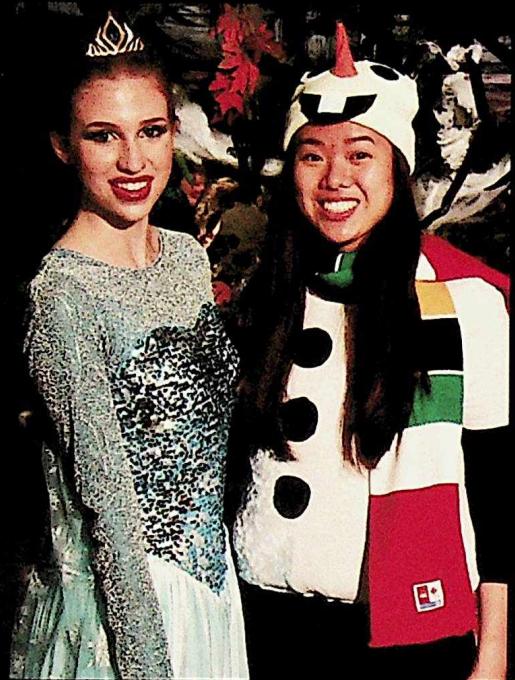

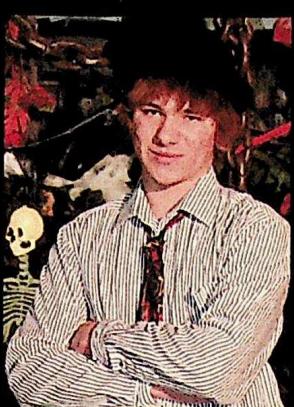

# October

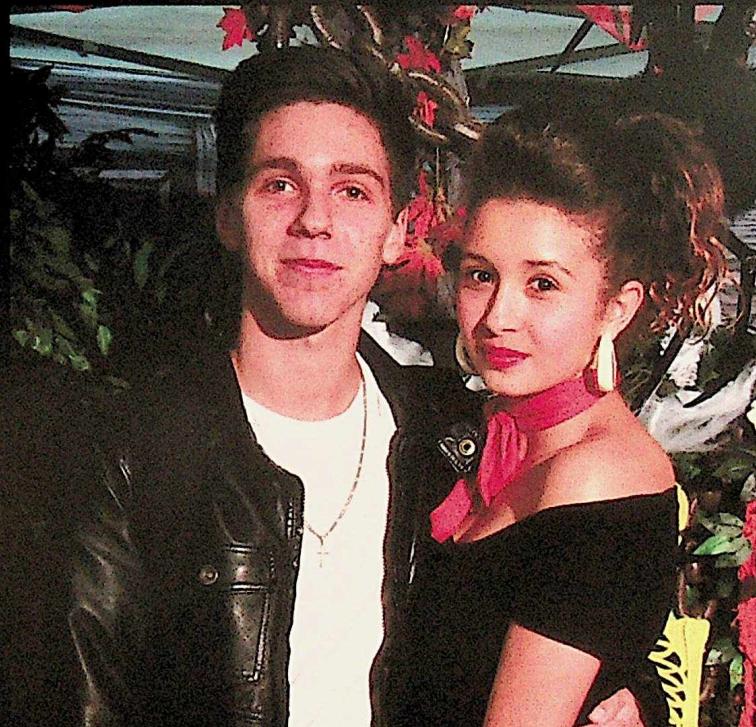

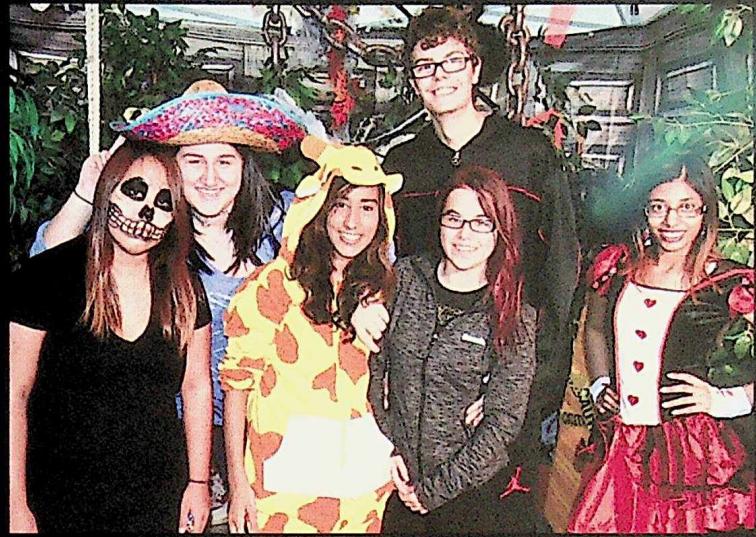

Voyageurs got spooky with Halloween activities like pumpkin carving and of course our annual costume contest. Not only did we dress up in costumes, some of our students took part in a PTSD fashion show fundraiser, and we also had our awards night to celebrate our achievements. Whether it was because you were too scared to sleep or for a great cause, we had students staying up for 24 hours to raise money to spread awareness for PTSD in regards to mental health during our wake-a-thon.

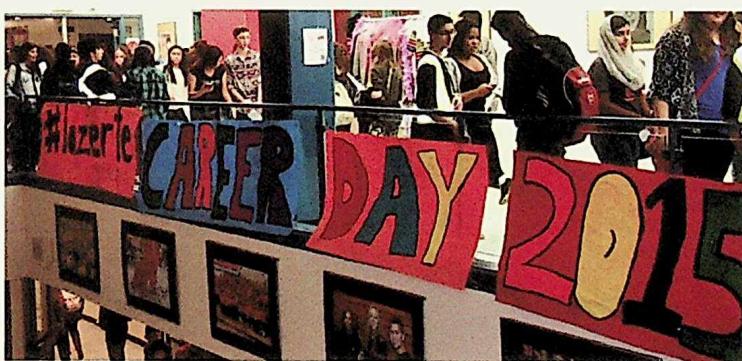

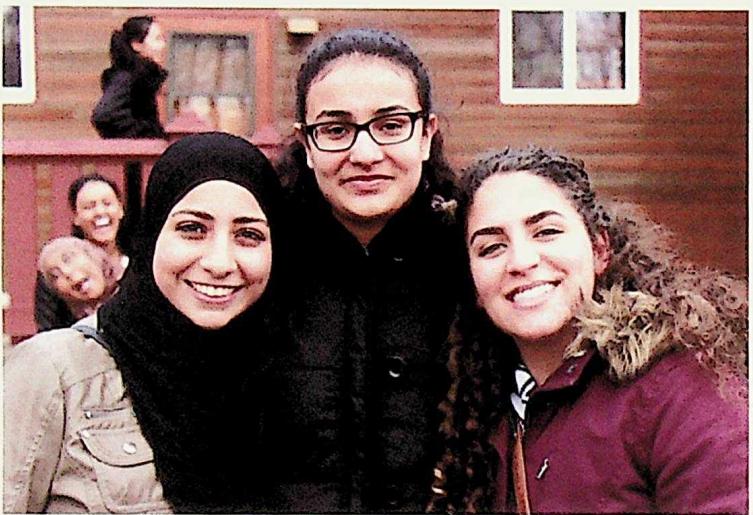

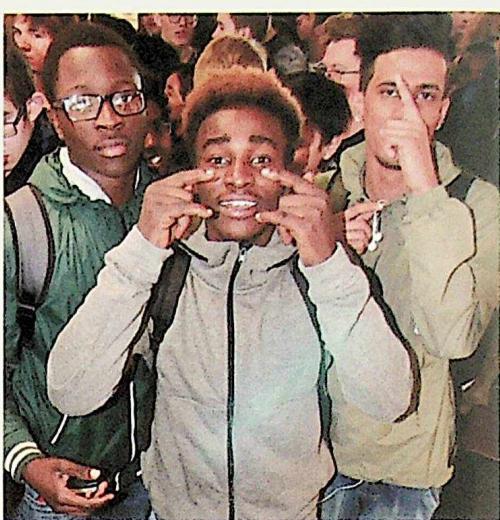

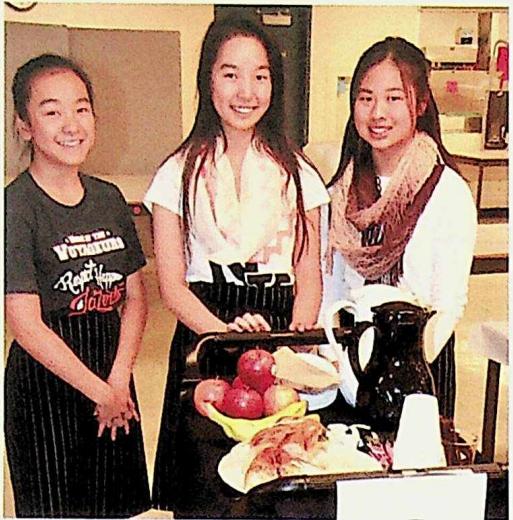

# Halloween

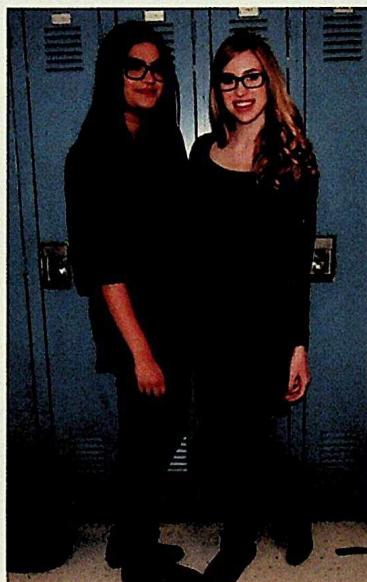

# November

Career day took place this month, so our students got exposed to many different career paths in a fun educational day. We also got pumped up with school pride during our fall spirit week, and grad council got together to begin preparations for banquet. We also got to listen to some beautiful pieces of music during the band extravaganza and at lazerte idol.

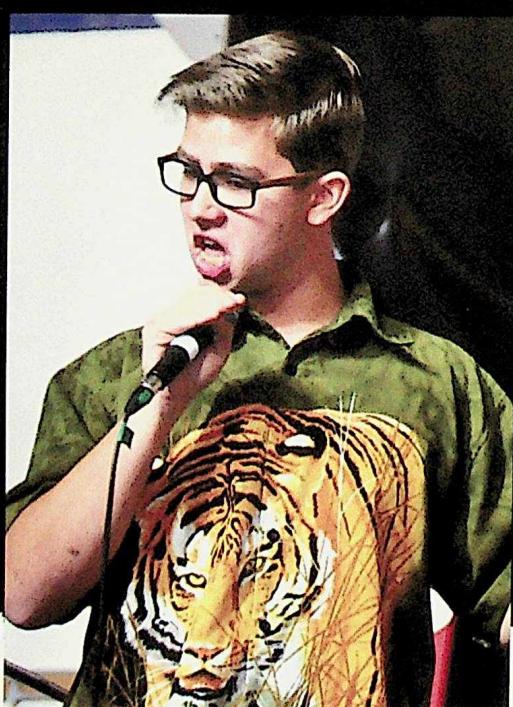

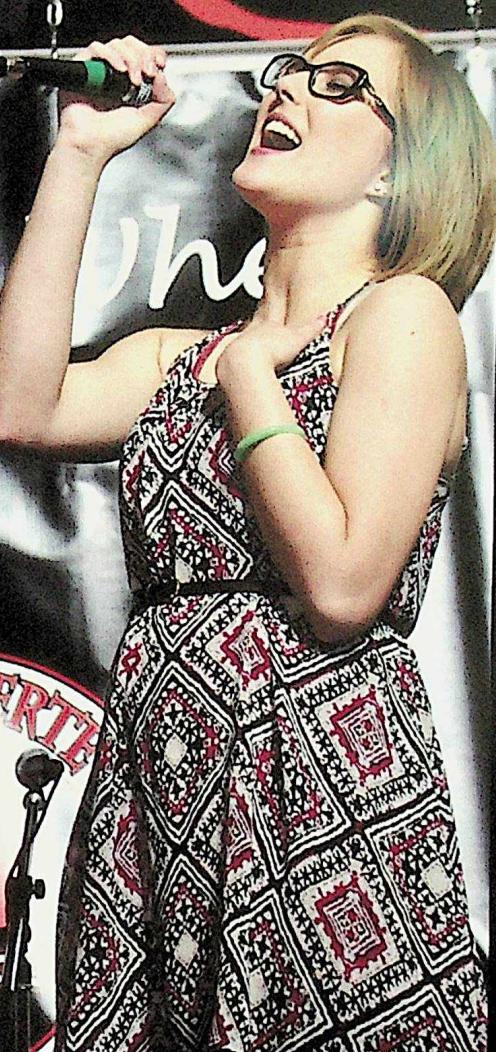

# LaZerte

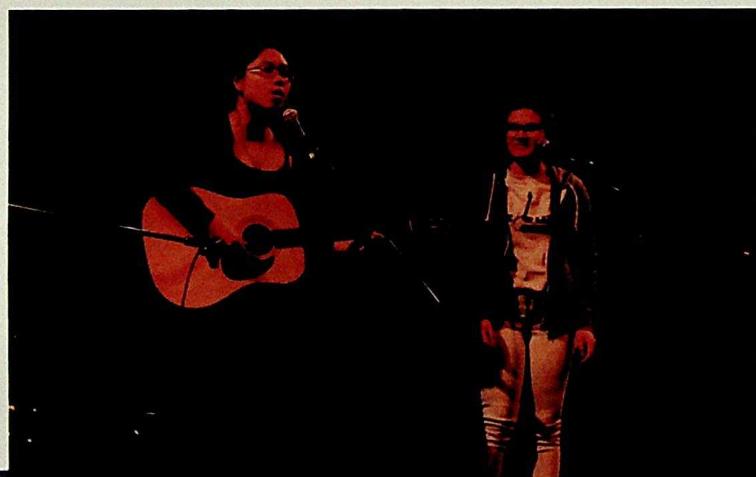

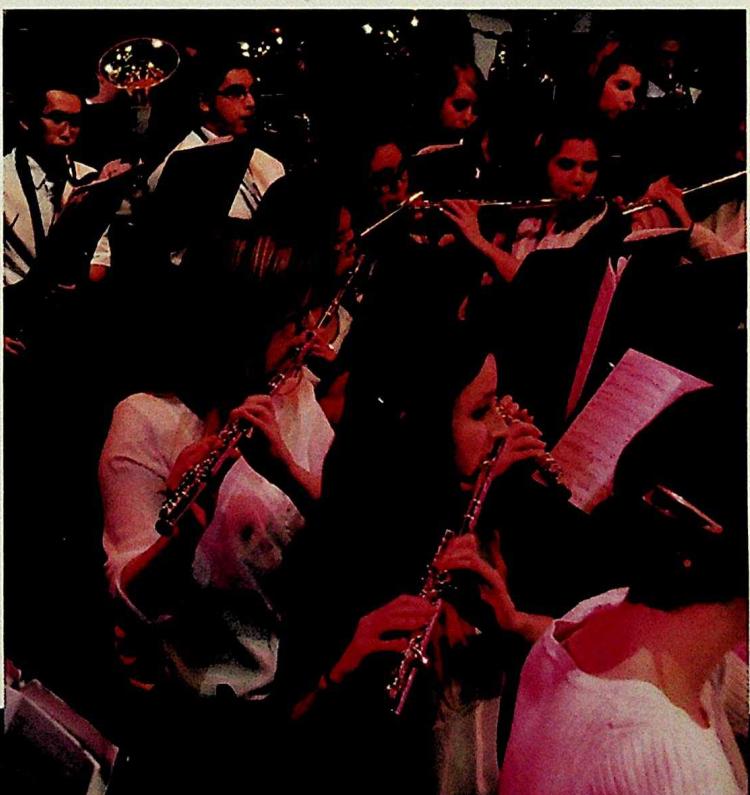

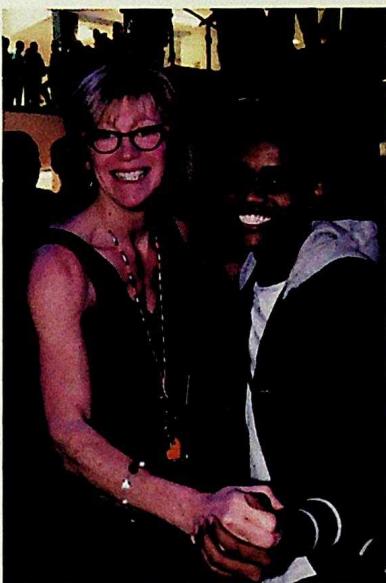

# Idol 2016

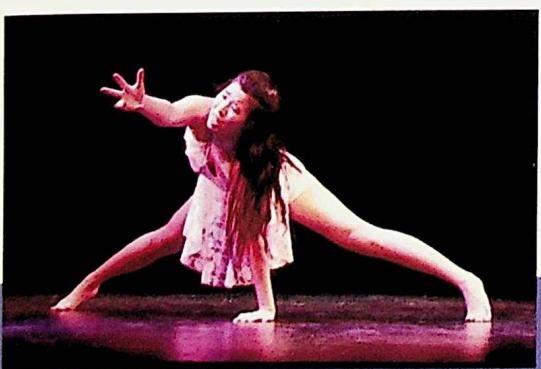

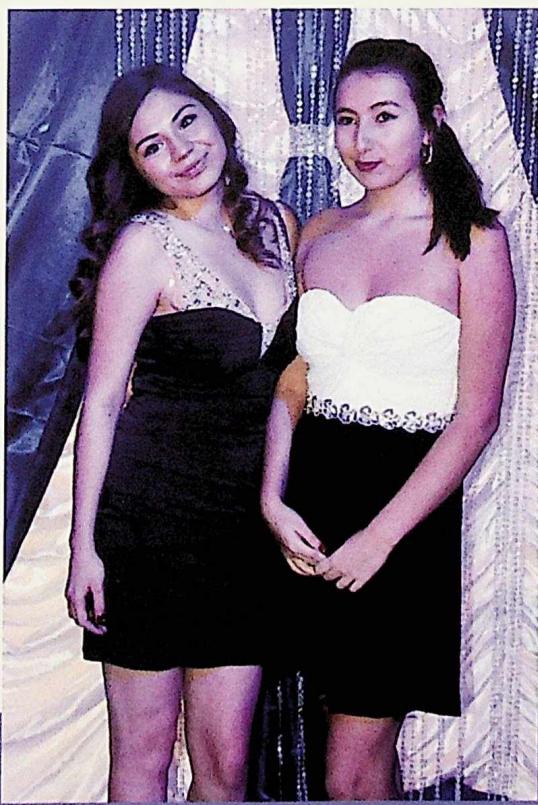

# December

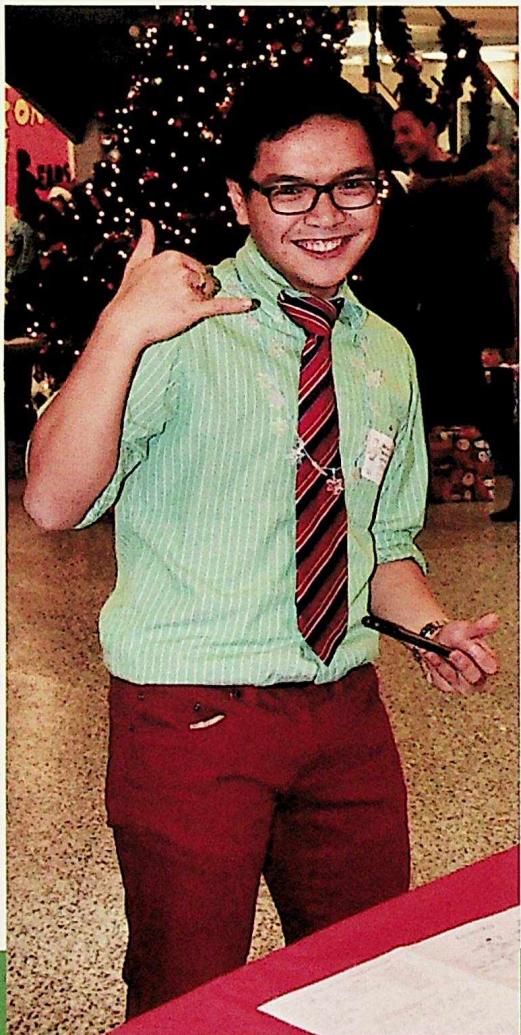

To get into the holiday spirit, students celebrated by participating in some of the festivities that took place. Grad council held a Christmas talent show, and the drama students put on an amazing show with *Hairspray the Musical*. We even saw some amazing performances during the dance showcase and *Holiday Magic* concert as well. December was also the month of giving. Our voyageurs gave back to the community by volunteering for helping hampers and the community Christmas party.

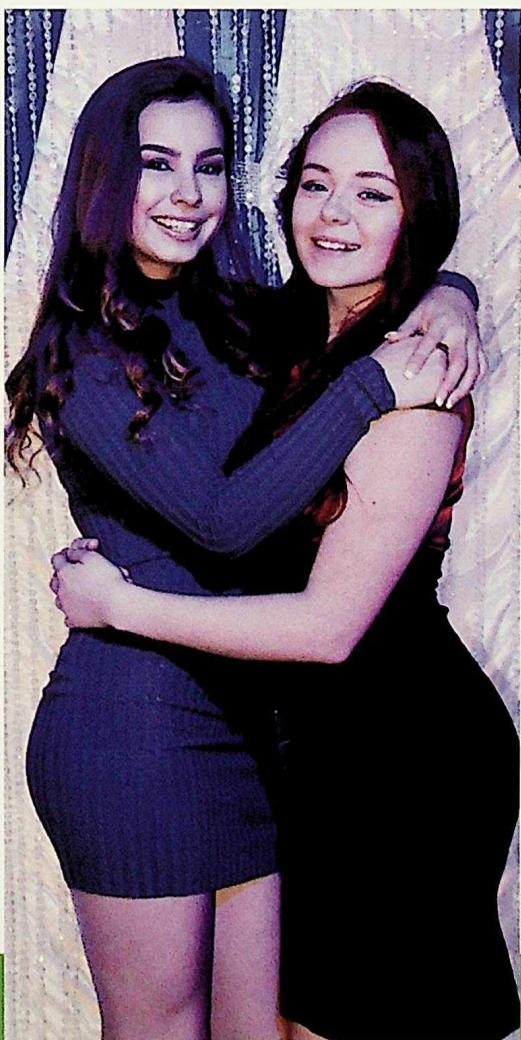

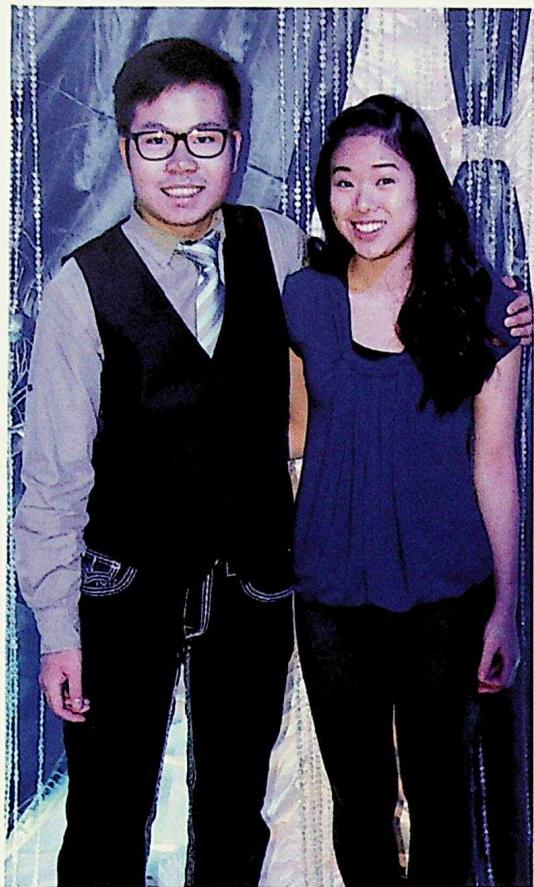

Hope everyone had a happy holiday!

# March

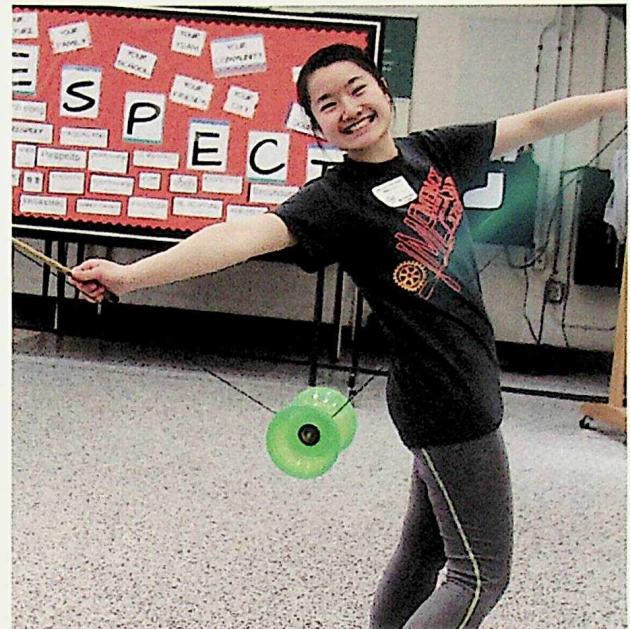

March was the perfect month for exhibiting our amazing skill and talent here at Lazerte while promoting our school at this year's open house. We even saw a variety of performances at STOMP the Atrium and were impressed by the wonderful abilities of our students in the fashion show, run by our creative students.

# Stomp the Atrium

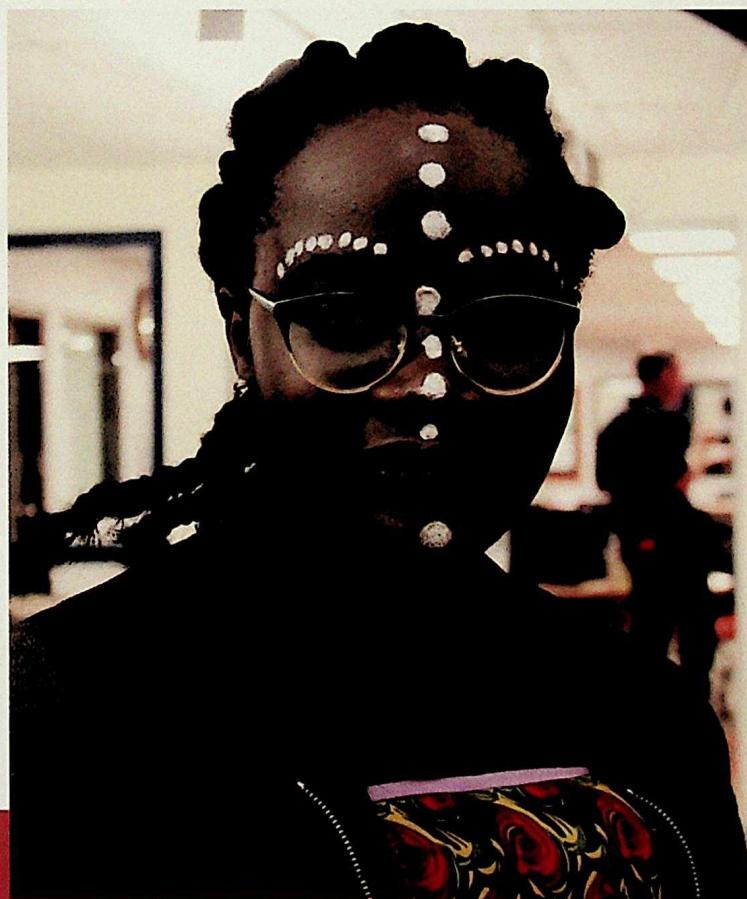

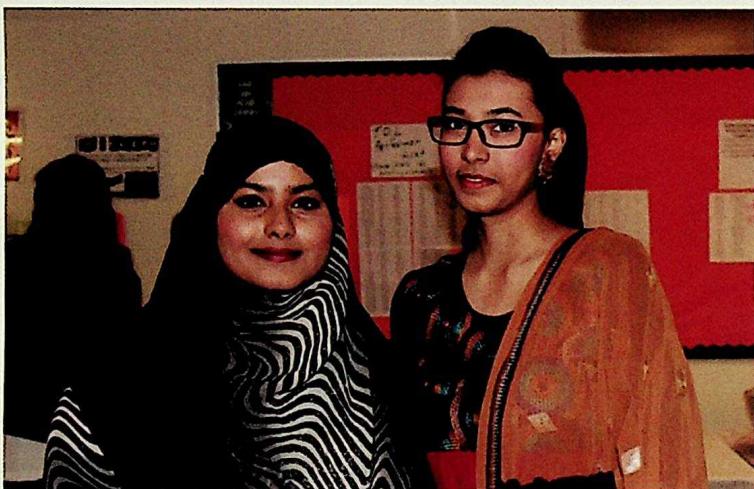

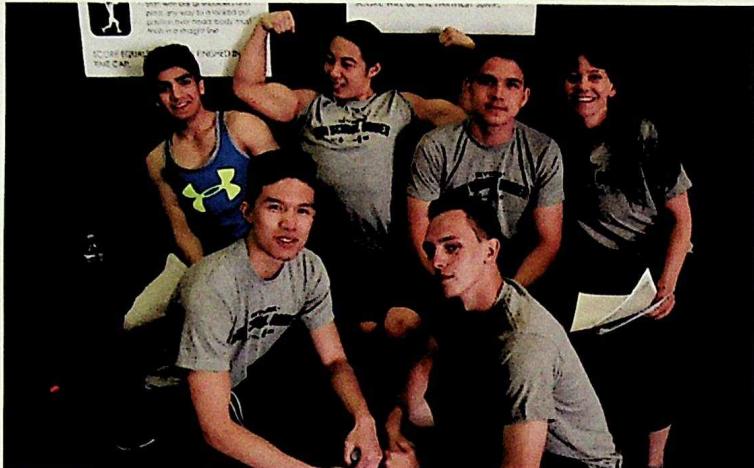

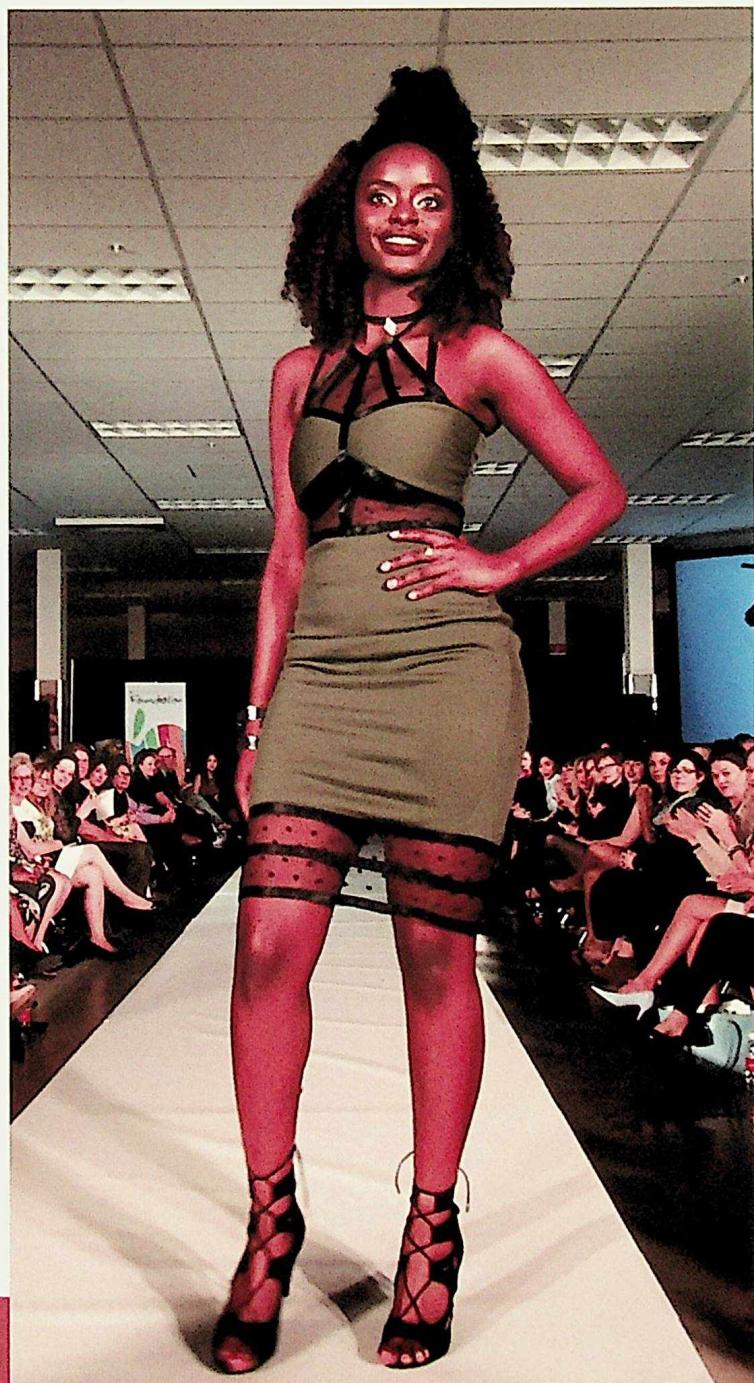

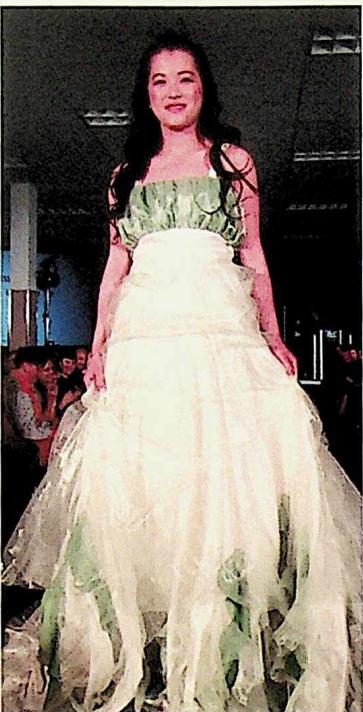

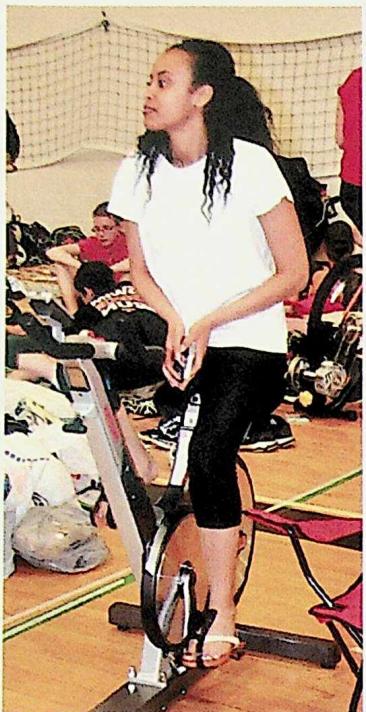

# Open House

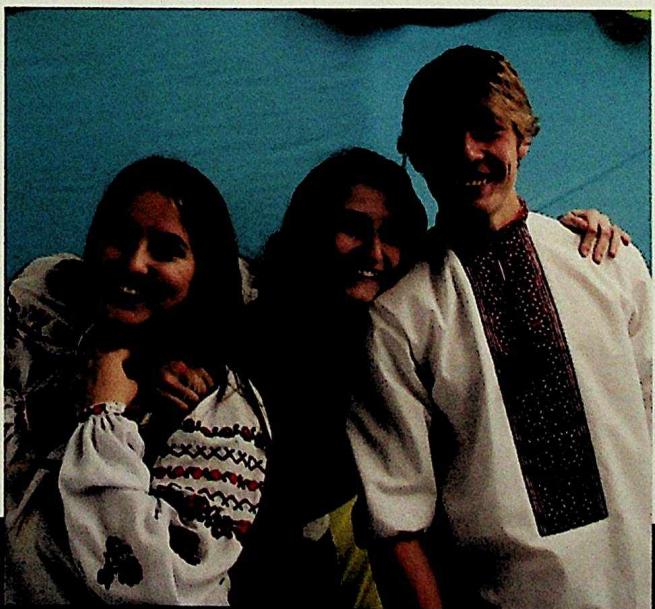

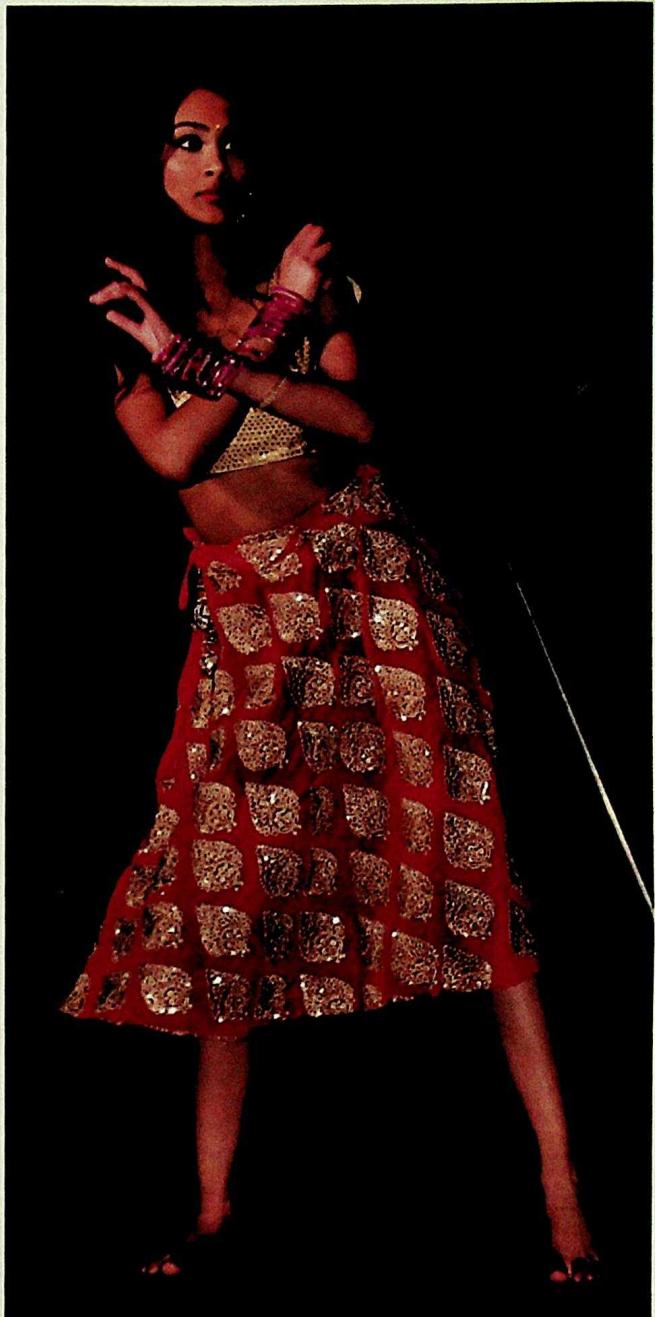

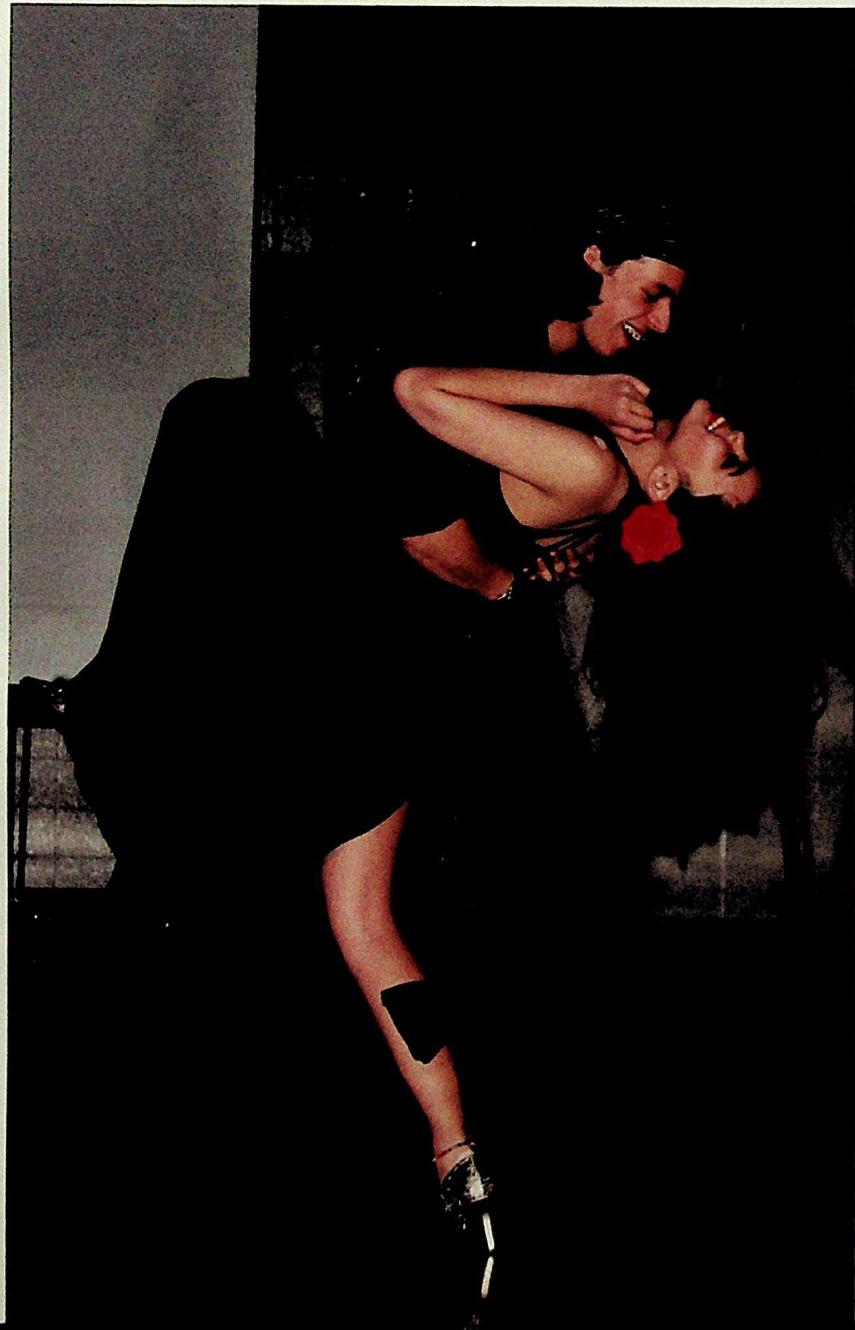

# April

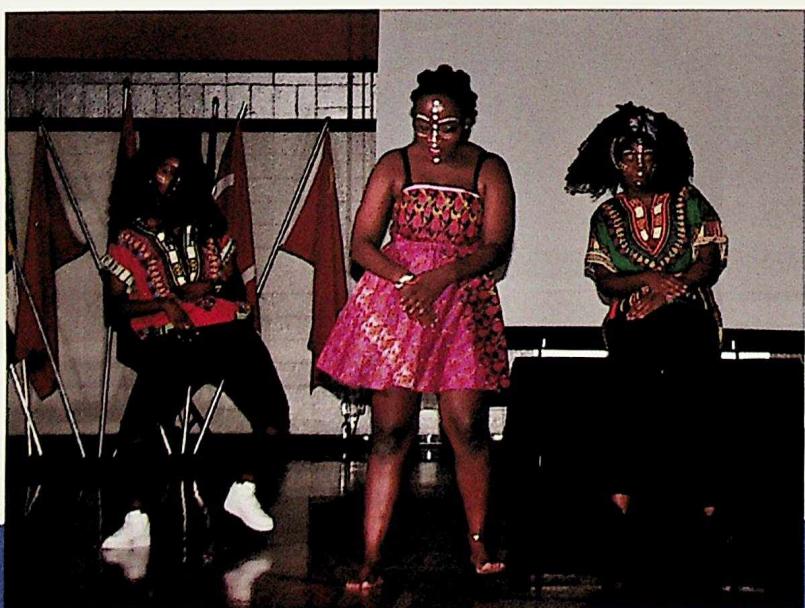

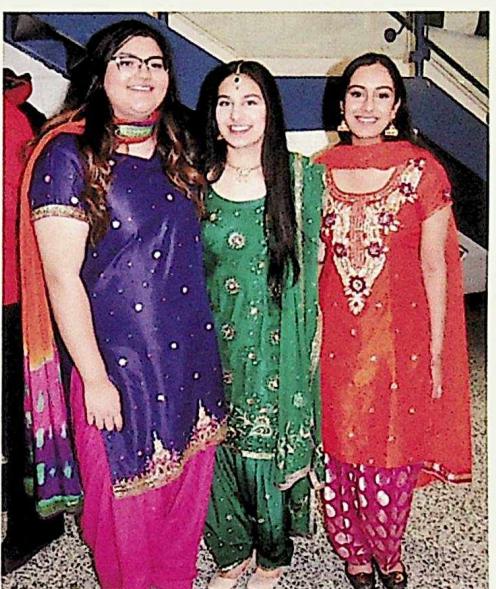

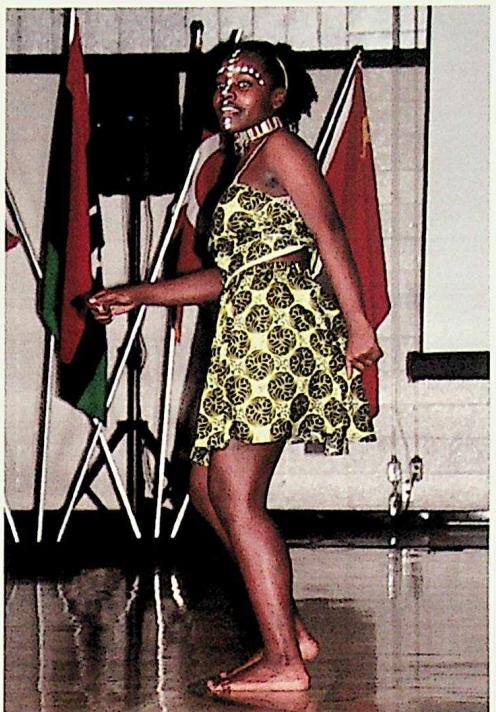

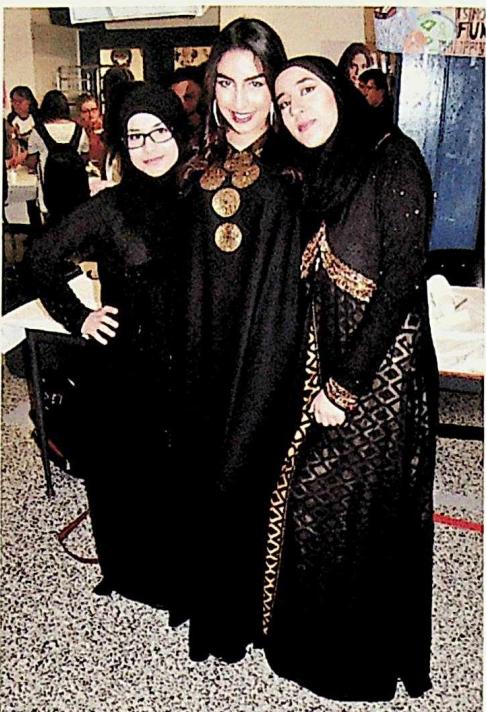

April was a busy month with some of our biggest events. Taste of Lazerte, as always, was a fantastic representation of the vibrant cultures that make up Lazerte. Tri for Cancer this year was a success as well, and we managed to raise lots of money while dedicating a day to fitness and fun.

# May

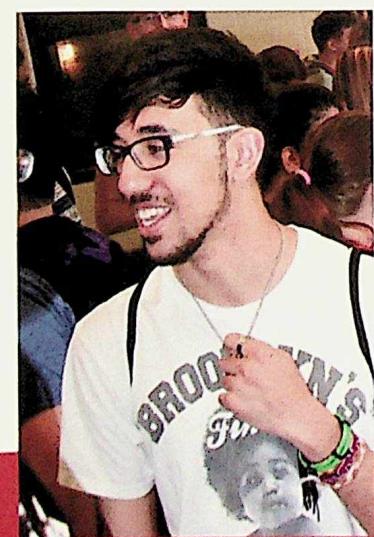

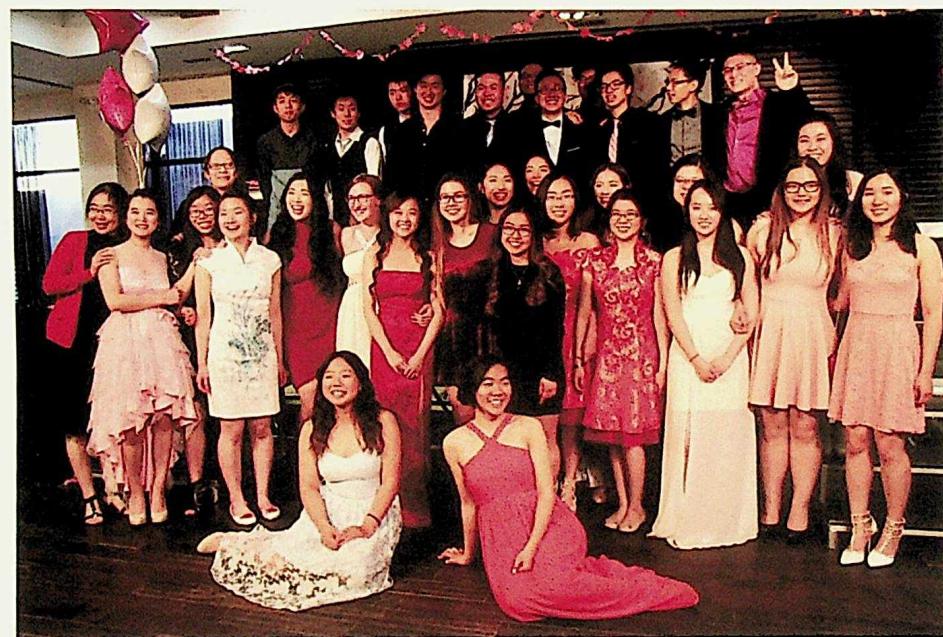

In May, everyone dressed their best whether it was at the cosmo-fashion show collab, or of course, at our grad banquet. The literary magazine also kicked off the release of this year's insightful issue, and the year end music concert was a beautiful showcase of all the dedicated talent here at Lazerte.

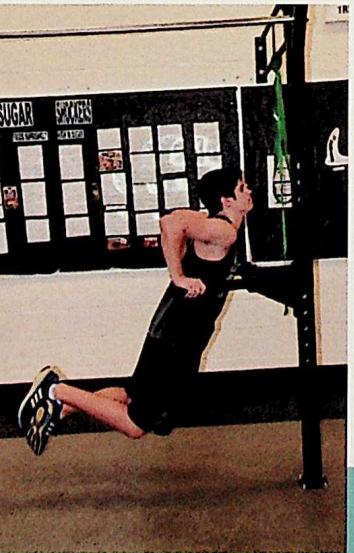

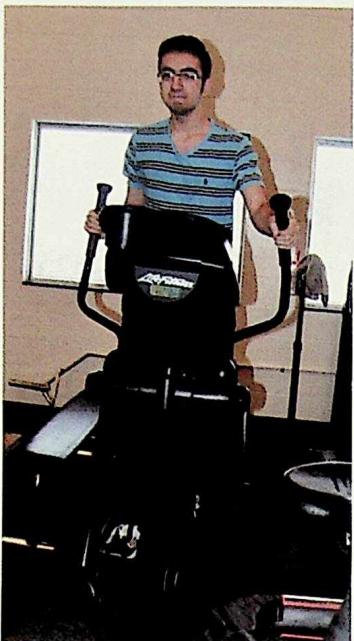

# June

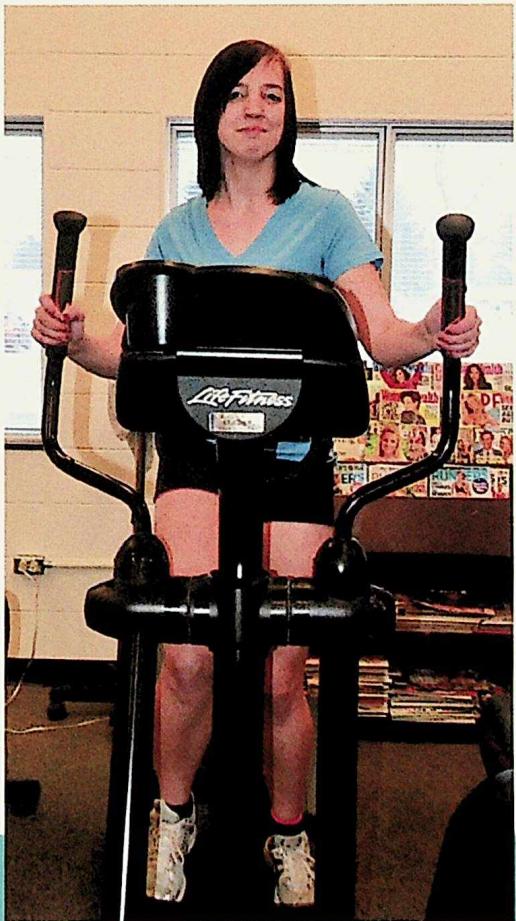

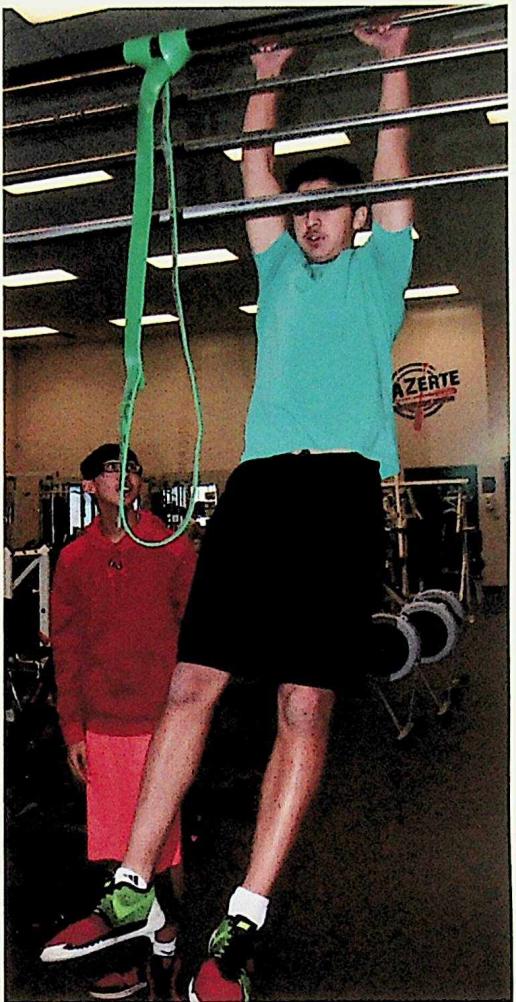

In our last amazing month here at Lazerte for the year of 2016, we celebrated the end by dressing up and commemorating our moments here at the Mandarin grad and Commencement. We also had our final dance showcase and the year end carnival. Finally, we prepared for our exams and the fun summer that lies ahead. Congratulations to all of our graduands! We'll miss you here at Lazerte!

# Principal's Message

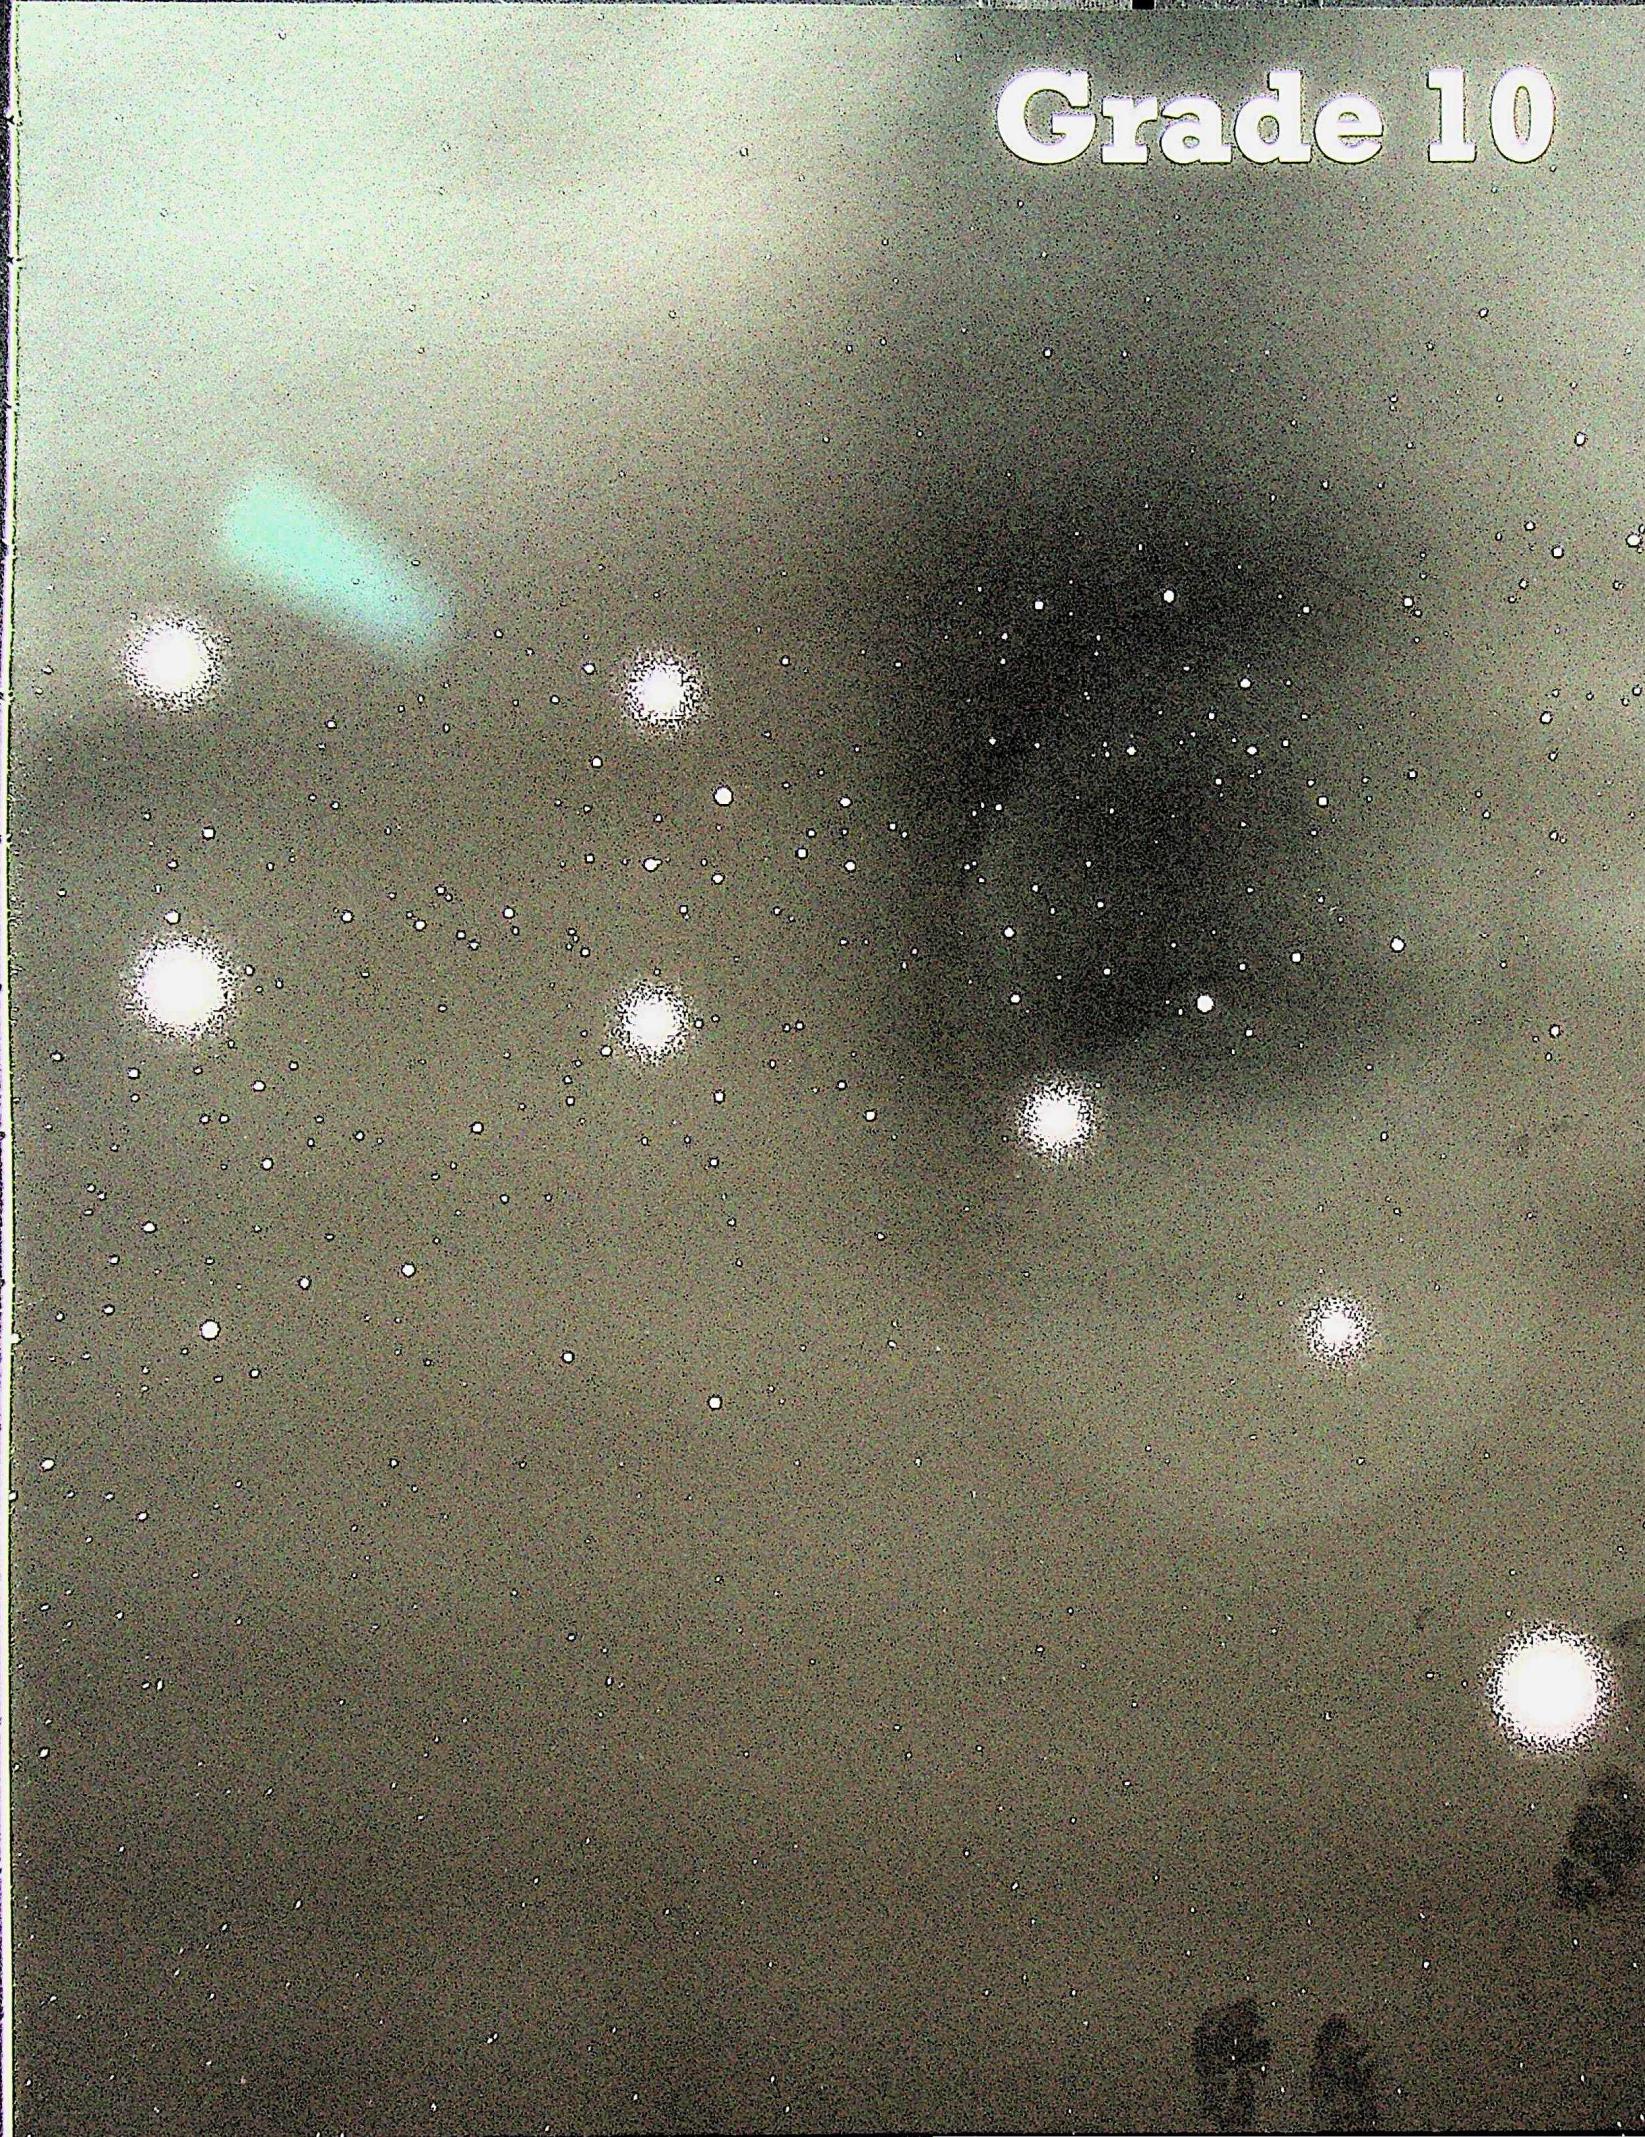

Our school year has been memorable, from the events and activities to the relationships and friendships to the learning that has happened and that is yet to come. We congratulate our seniors who have left their mark on our archives, and we know as alumni of LaZerte you will continue to achieve in your lifetime. We ask that you come back and share your accomplishments with us as you continue on your career pathway, and that you inspire and mentor those around you as you have experienced in these walls. This school is a place, but the experiences you had become part of who you are...your character, your passion, and your life. Celebrate the diversity in you and around you, be humble and be kind, and make the difference out there in our world that you are capable of. You are LaZerte...always be proud!

# Reem Almawed & Thy Phung

## 2016 Valedictorians

**R:** Good evening, honored guests, administration, teachers, family, friends and class of 2016. My name is Thy

**R:** And my name is Reem and this is your address. Can you believe it? We've finally made it this here!

**T:** It seems like just yesterday we were timid freshman trying to figure out how high school worked and how to not get lost in the giant of a school called M.E. LaZerte, but suddenly we have made it to the end. We should all be proud that we have not only survived, but thrived.

**R:** There's a tree right outside the East side of the school, and I remember when I was about 5, I was the same size as it. Over the years, I have grown, along with the tree and along with all of you, and I can only say that it has been an honor that I had the opportunity to grow together with the class of 2016. Much like the tree outside which now stands way taller than I do, I believe our tenacity, desire to be successful, and dedication has allowed us to grow strong and reach this momentous milestone.

**T:** We have worked hard, and our efforts are being recognized and celebrated today. Though we take most of the credit for our success, we did not achieve greatness alone. We owe innumerable "thank you"s to our family, teachers, counsellors and friends for always being there when we needed them most; we could not have

made it to this point without their support. Not only have we been academically nurtured, LaZerte has also prepared us with the ethics necessary for our future journeys in life.

**R:** I must admit that my love for this school has flourished into something bigger than I ever imagined. My experiences here have allowed me to meet the most amazing people and perhaps my single regret after these three years is not getting to know more of my fellow voyageurs. I genuinely feel that the memories made here at M.E. LaZerte are precious and irreplaceable, and I hope that you share this feeling with me.

**T:** I'm sure a lot of you faced adversity during high school, but I'm quite sure that many of us will miss this school upon leaving it. However, even if I'm wrong, the one thing that I am confident about is that each of us has the desire to make our mark on the world and be successful. I can also say with utmost conviction that each of you do have the capability to achieve your goals, because we are a class of potential, graduating in a generation of opportunities.

**R:** To the athletes of this school, thank you for your undying passion, countless hours of practice and relentless efforts in representing our school with respect, honor and pride.

**T:** To the Club members and council members, thank you for your persistence and devotion

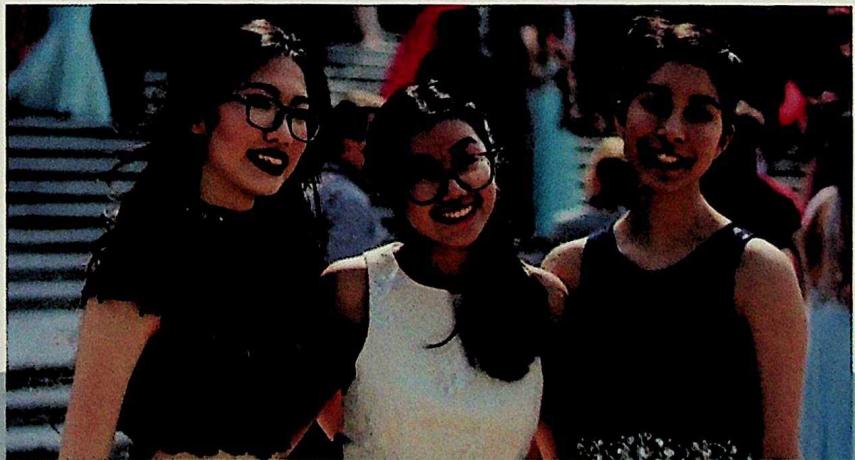

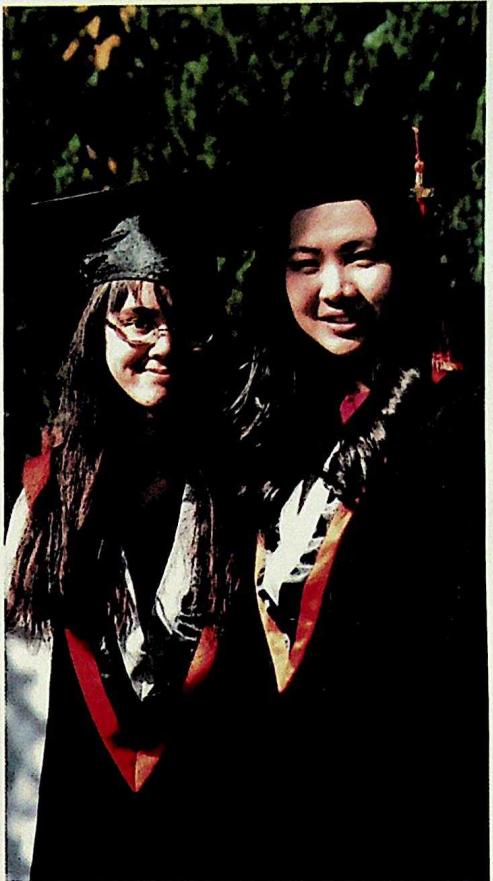

to maintaining the respected traditions, diversity, the dynamic spirit which have enabled every unique individual to feel a sense of belonging in the LaZerte community; thank you for making LaZerte special.

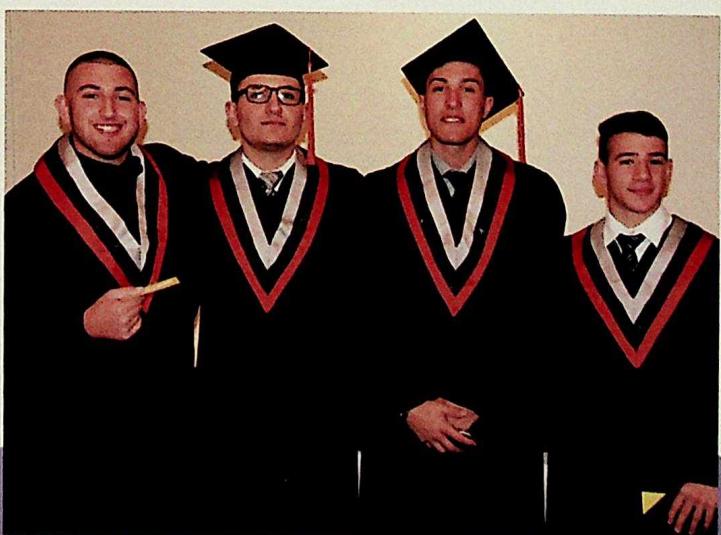

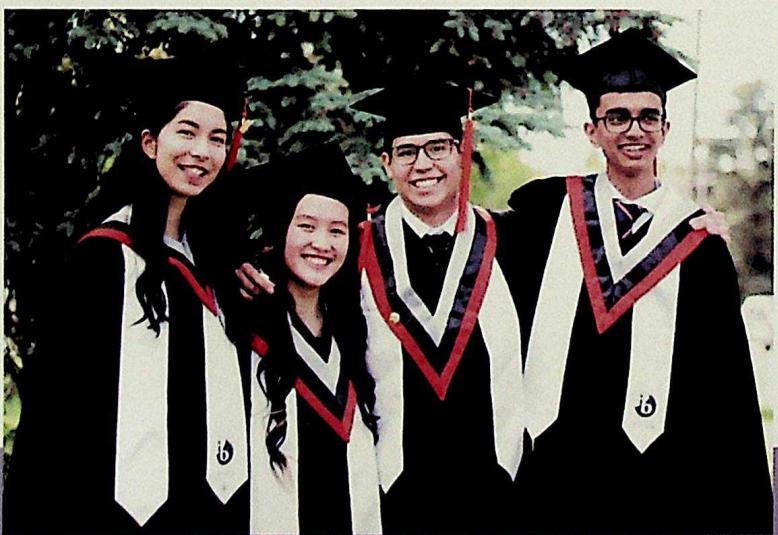

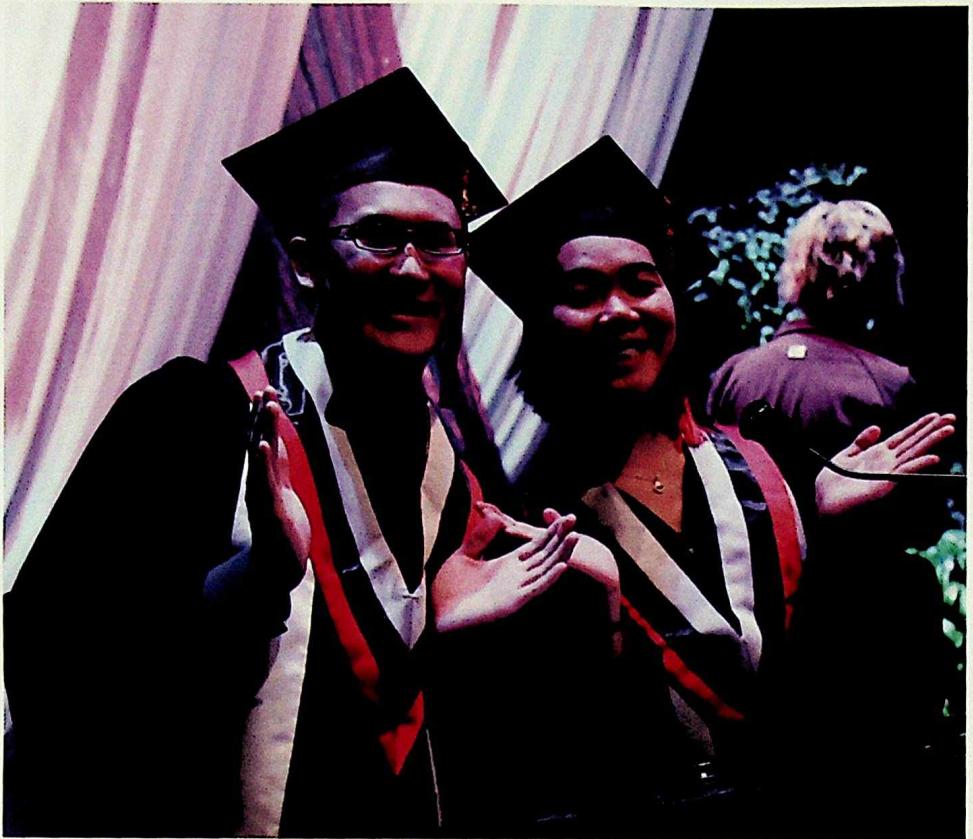

**R:** To my fellow IB's, who have become my second family, thank you for being some of the hardest working people I know, for the memorable sleepless nights we spent together, and for the generous Tim Horton's runs.

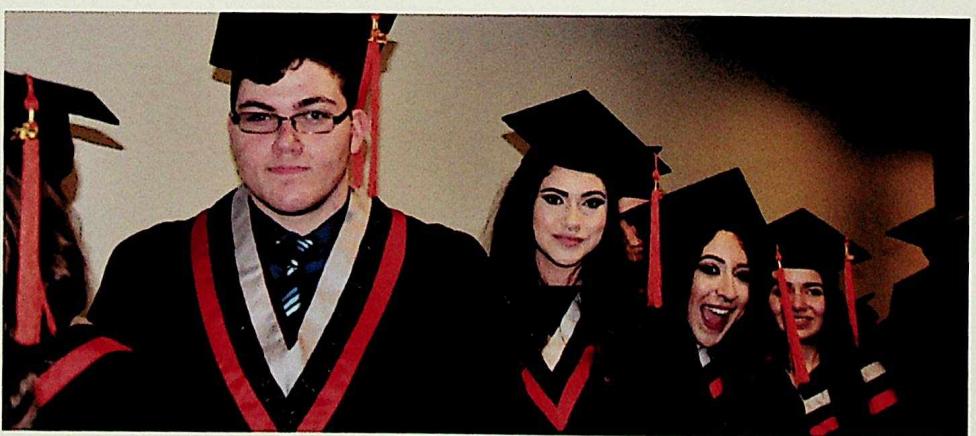

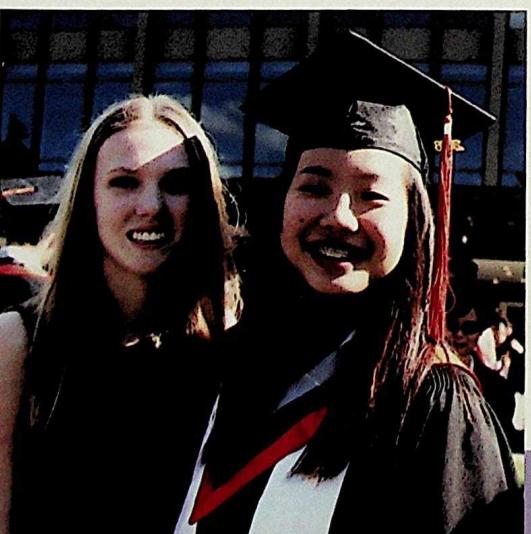

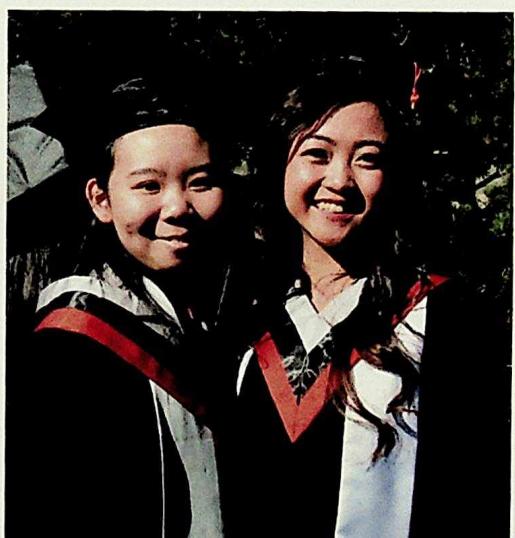

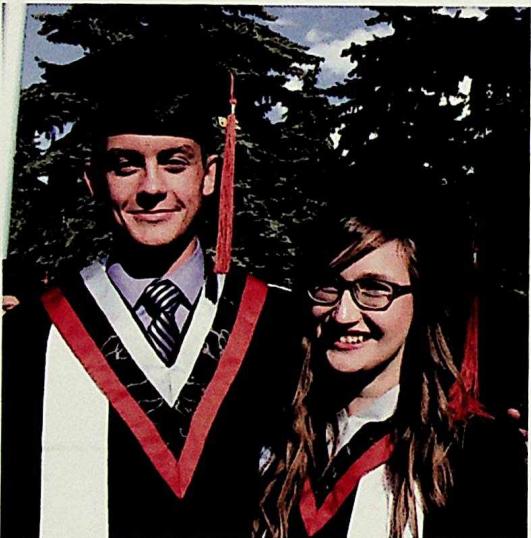

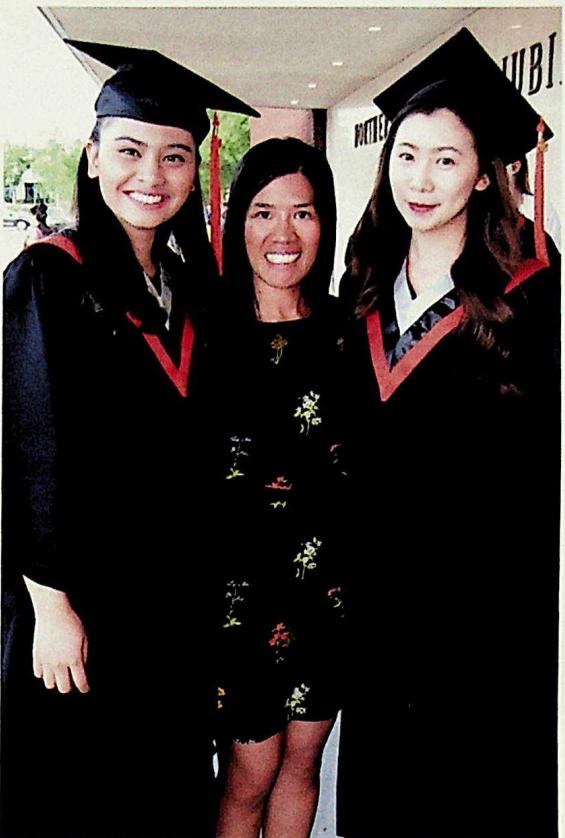

**T:** And to everyone else who made this school what it is, thank you for being an indispensable part of this amazing institute, for all your hard work in helping us walk the stage today. ME Lazerte would not be able to boast its incredible programs, teachers and students without you.

**R:** [A quote I would like to share with you is from David Bowie, who once said "I don't know where I'm going from here, but I promise it won't be boring".] And finally I would like to continue the tradition that the previous (two) valedictorians started before us, by quoting Dory from Finding Nemo. I would like to tell you to "Just Keep Swimming", because even when things get difficult, they will always get better, so long that you continue with the perseverance that got you here today.

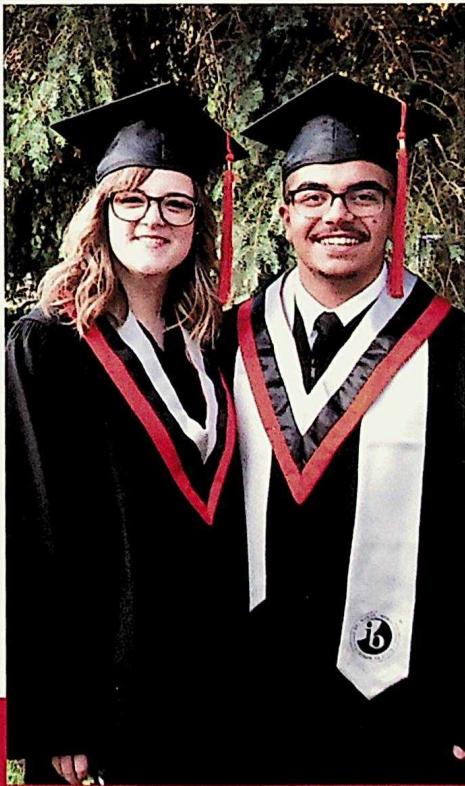

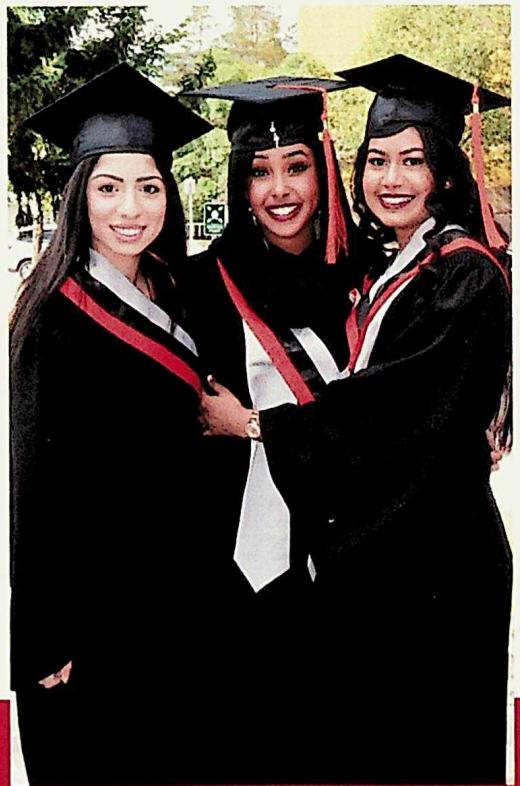

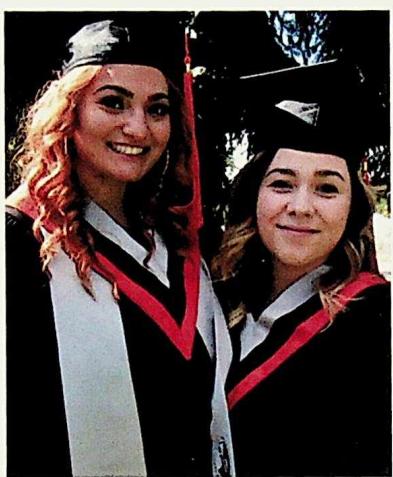

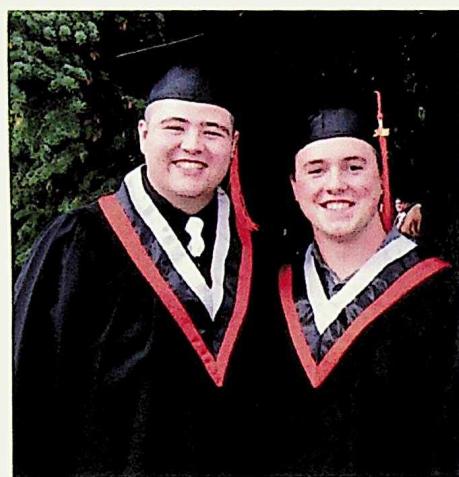

**Together:** Thank you and Congratulations!

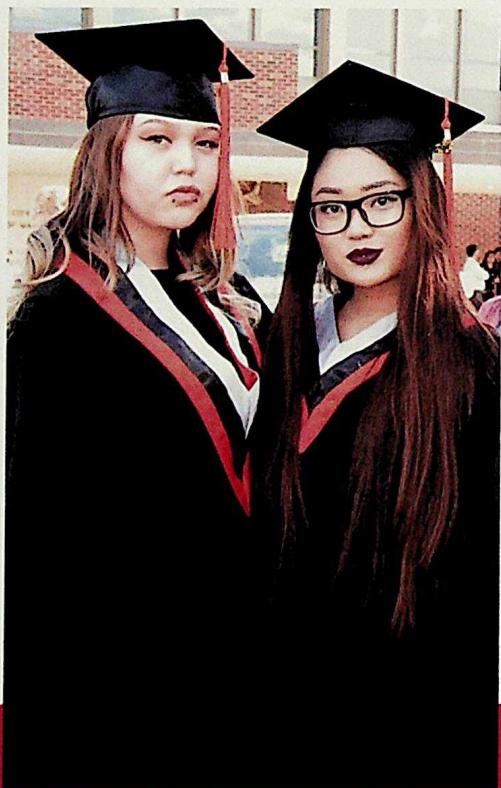

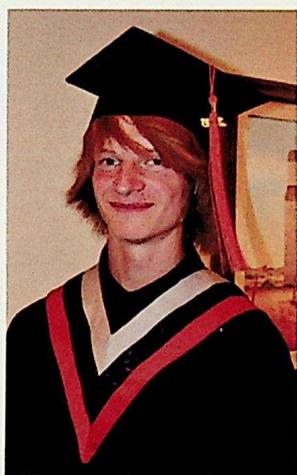

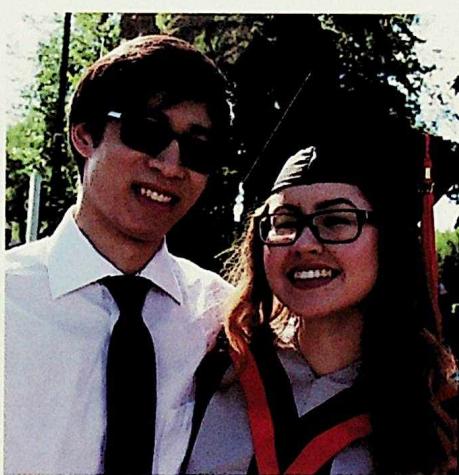

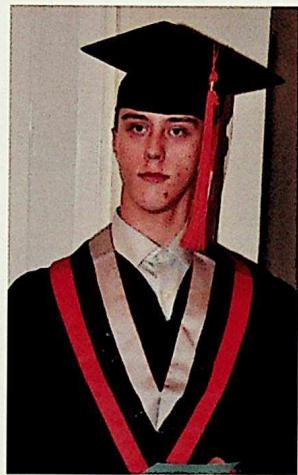

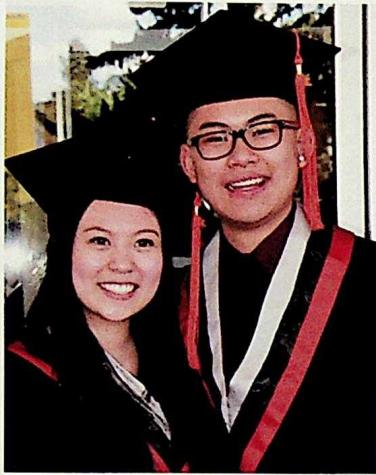

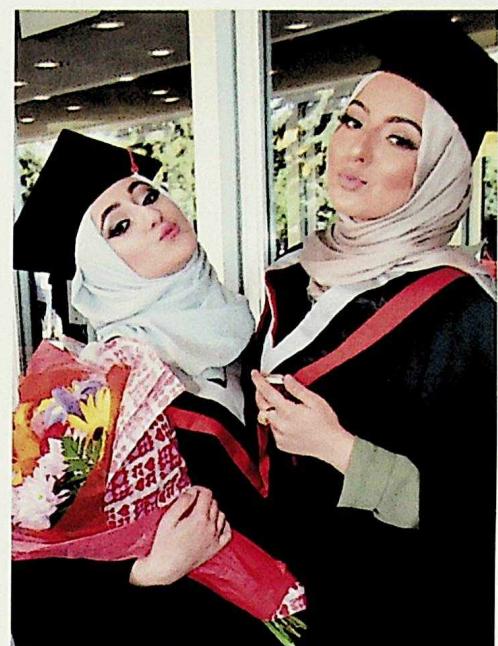

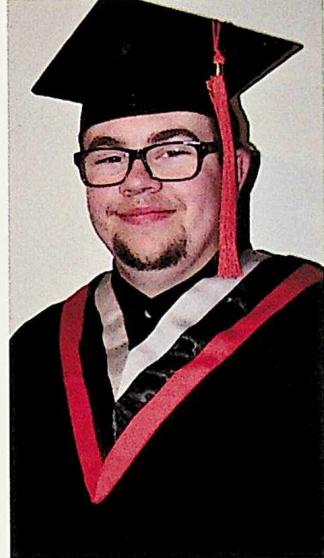

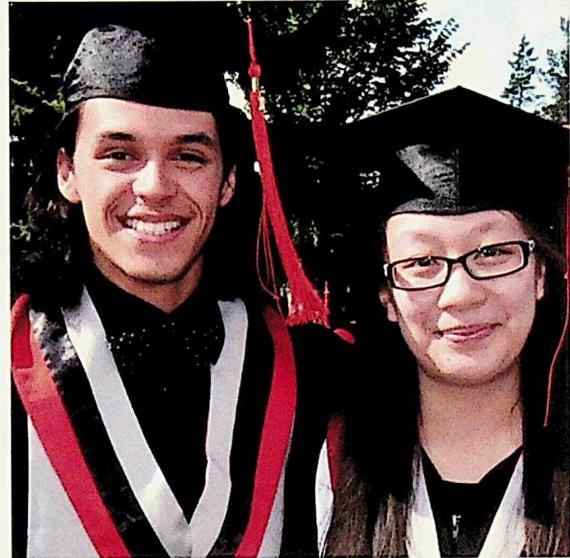

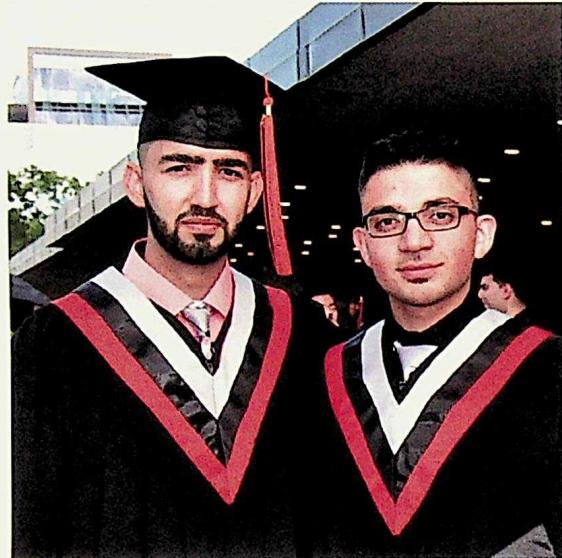

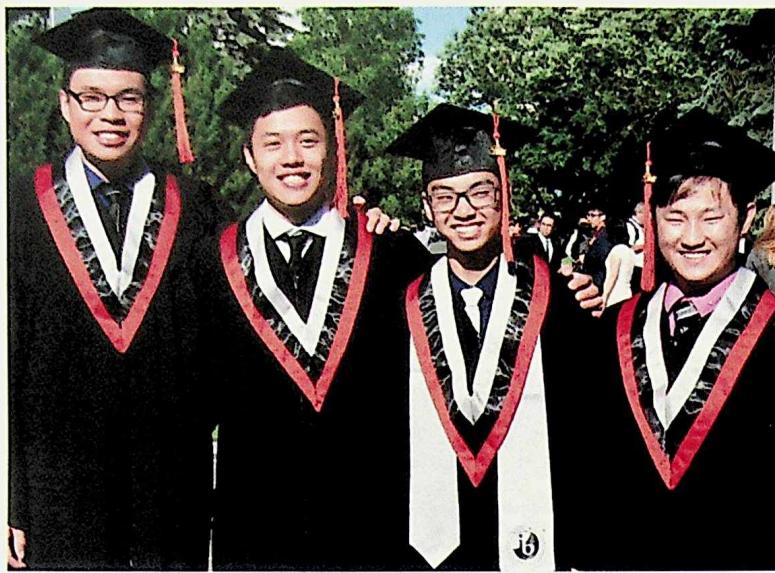

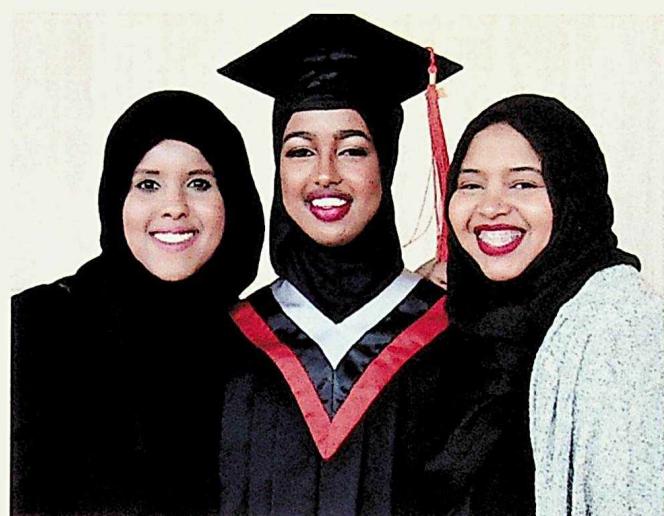

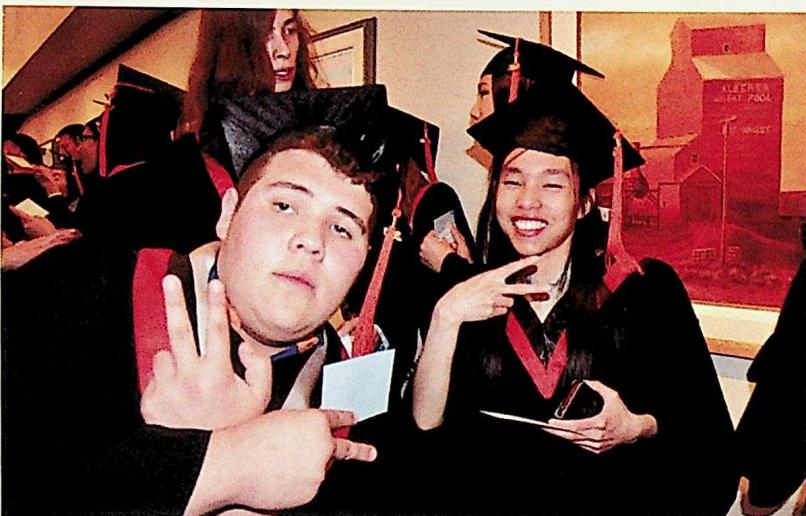

**Commencement 2016**

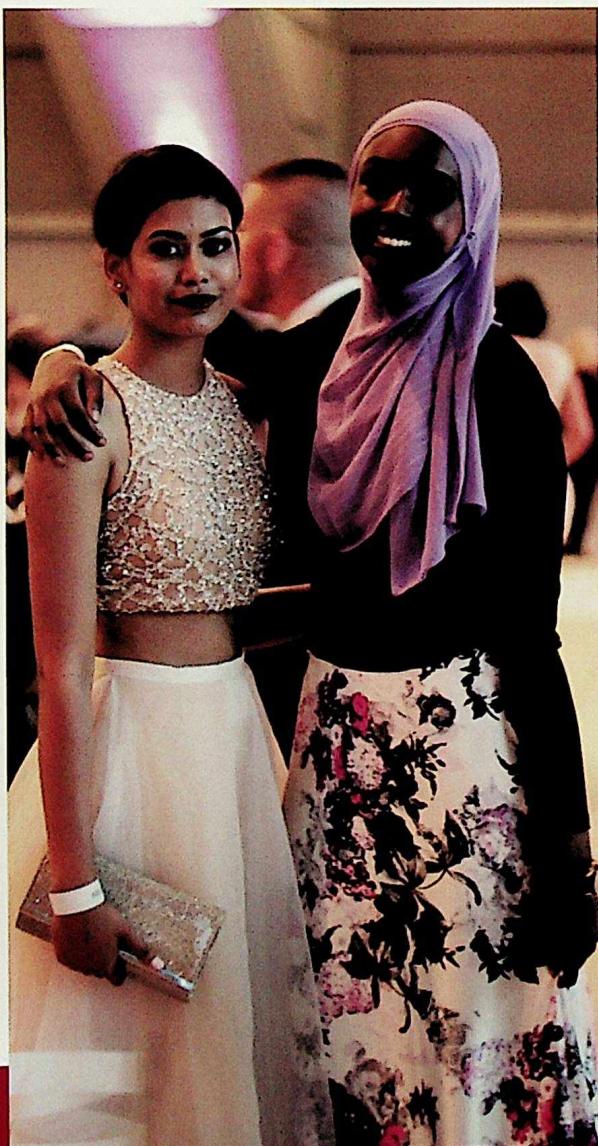

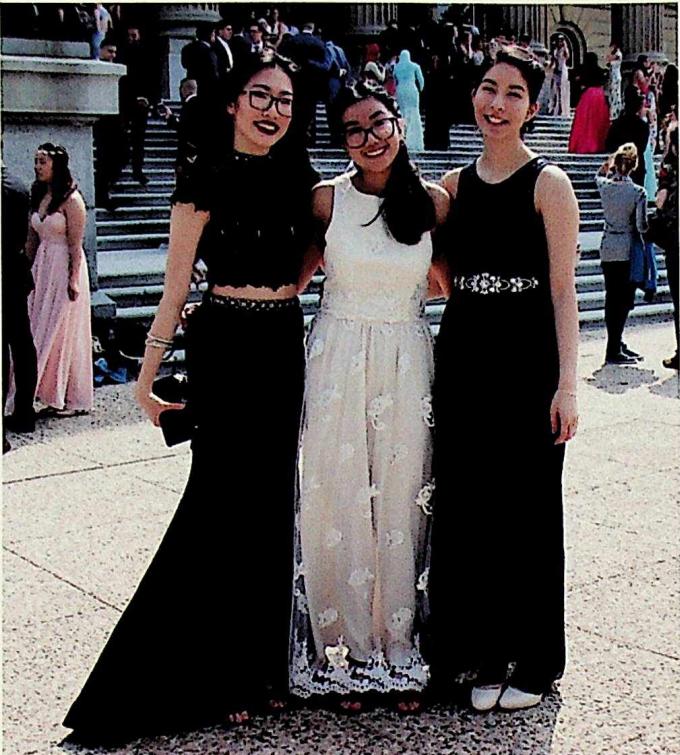

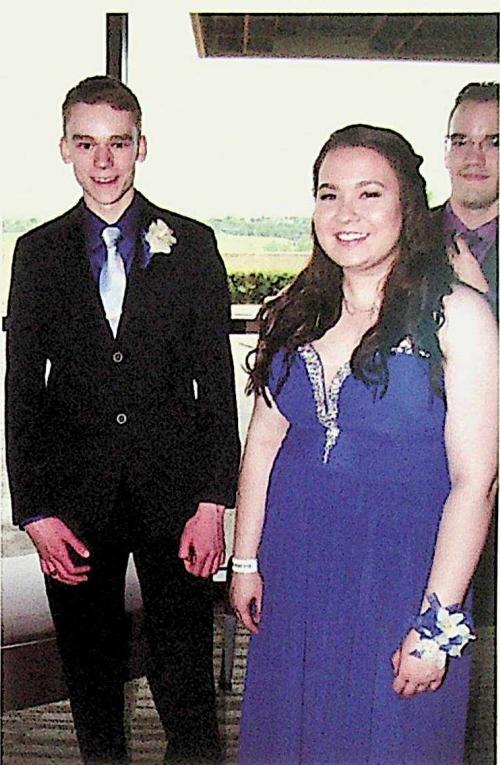

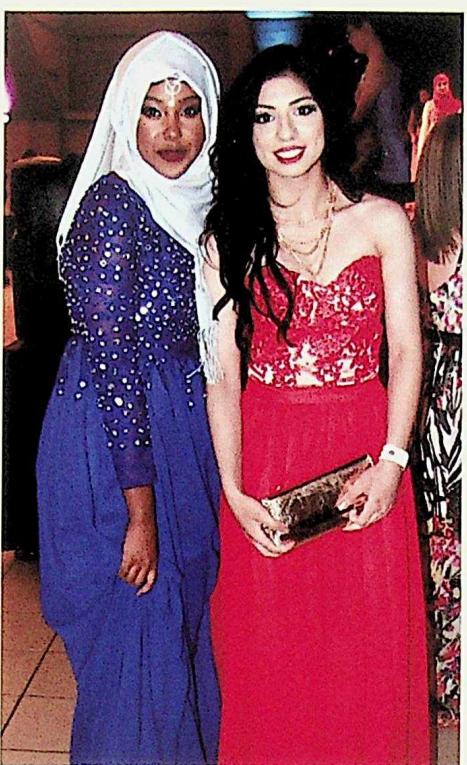

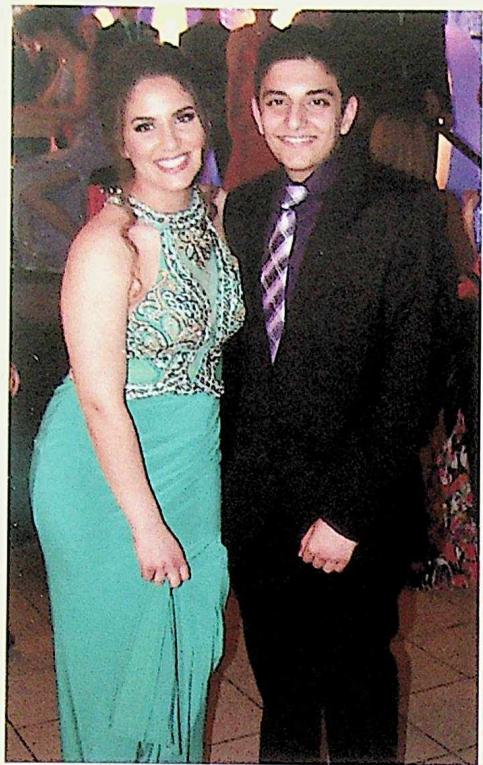

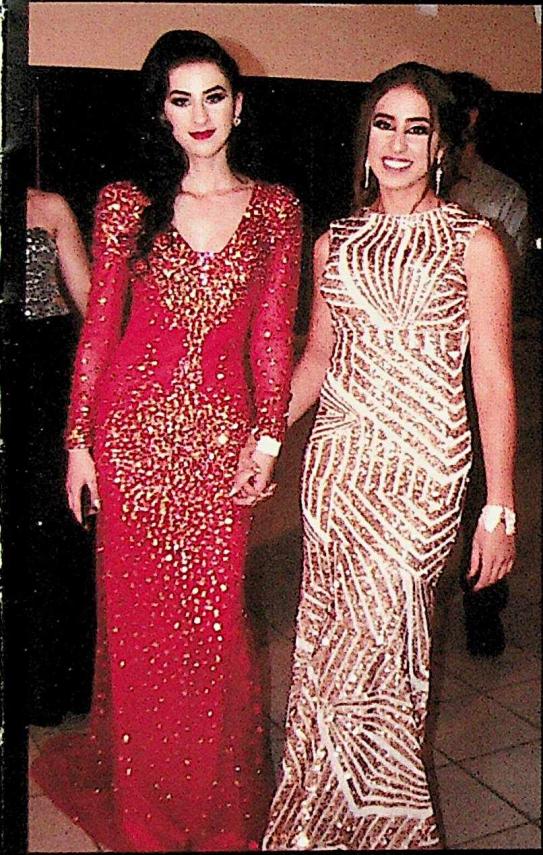

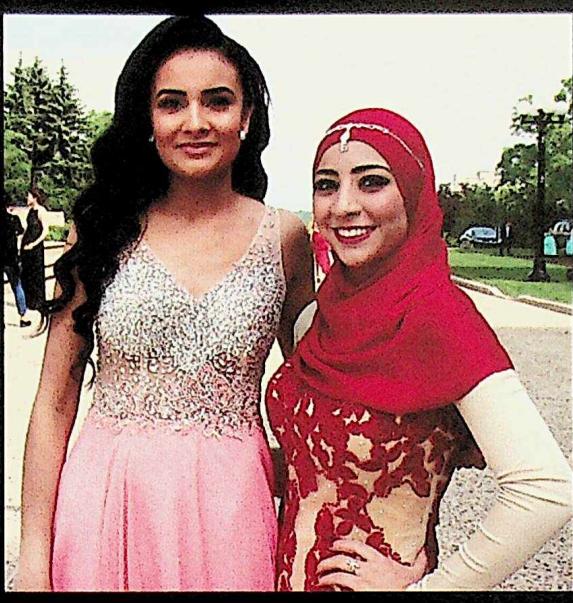

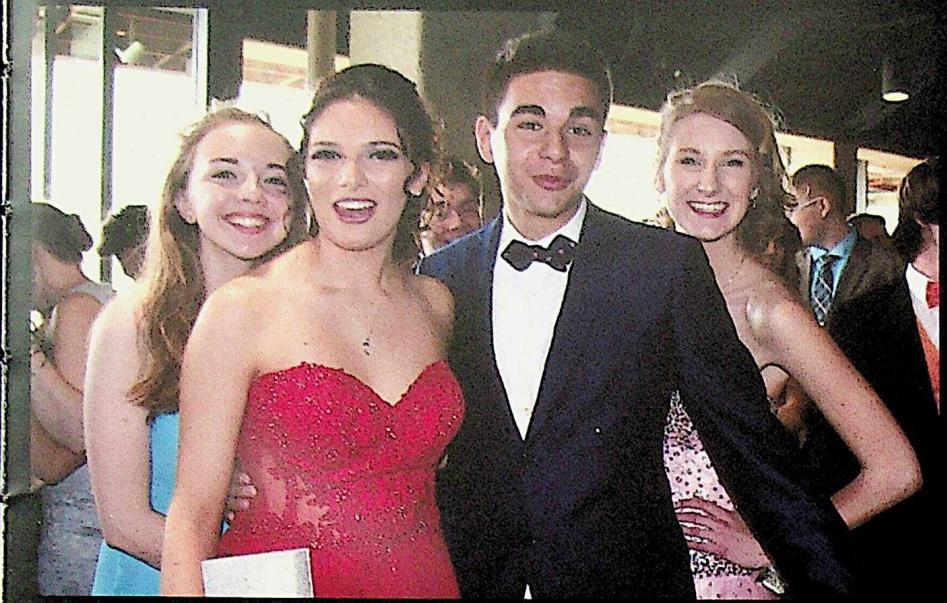

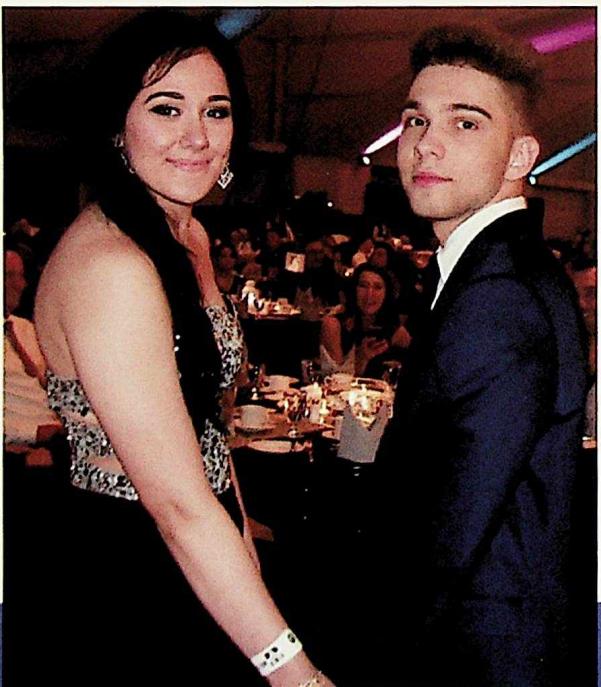

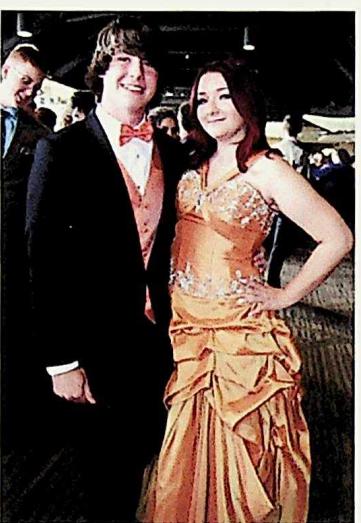

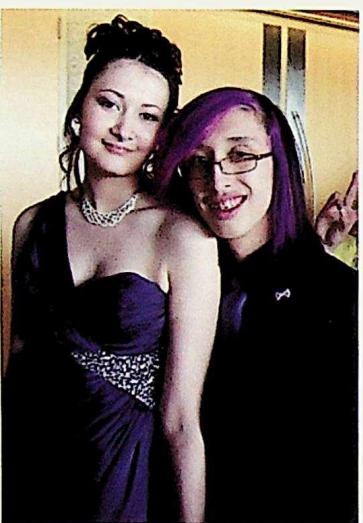

# BANQUET 2016

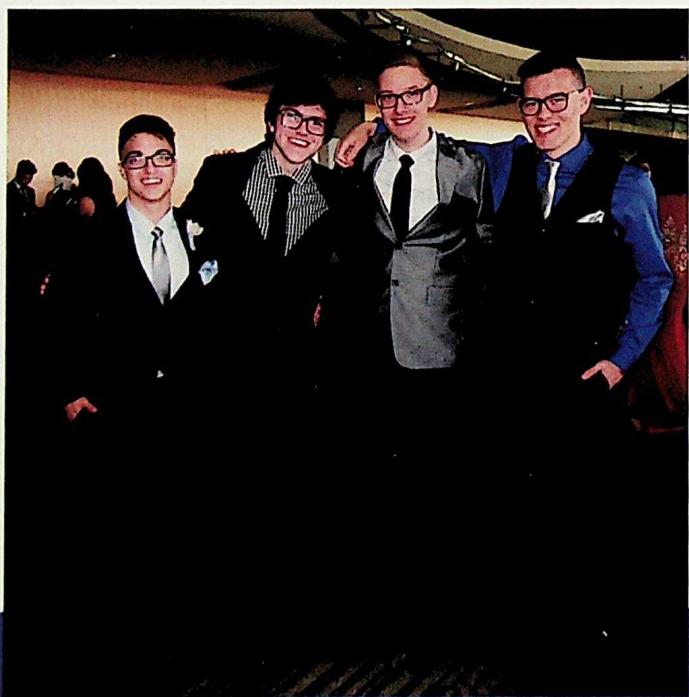

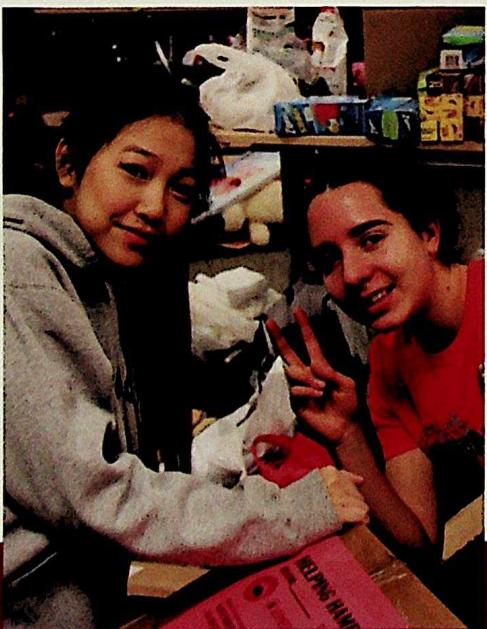

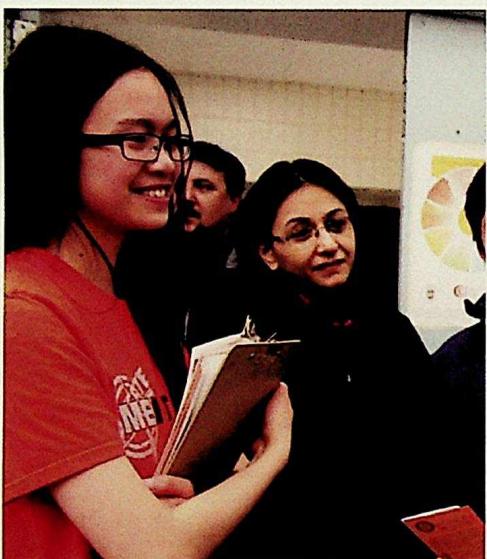

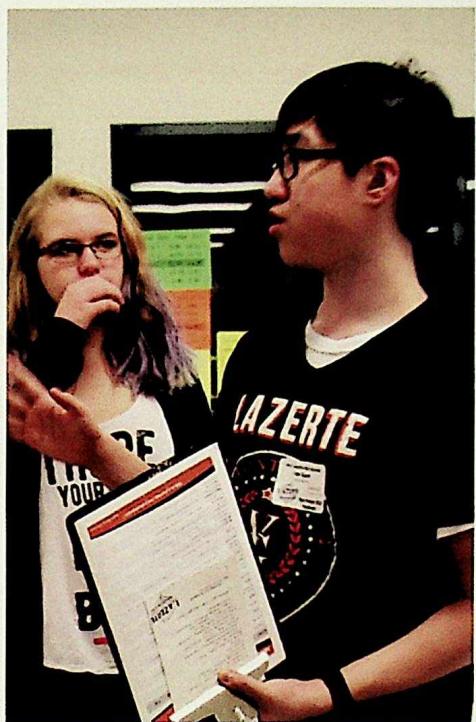

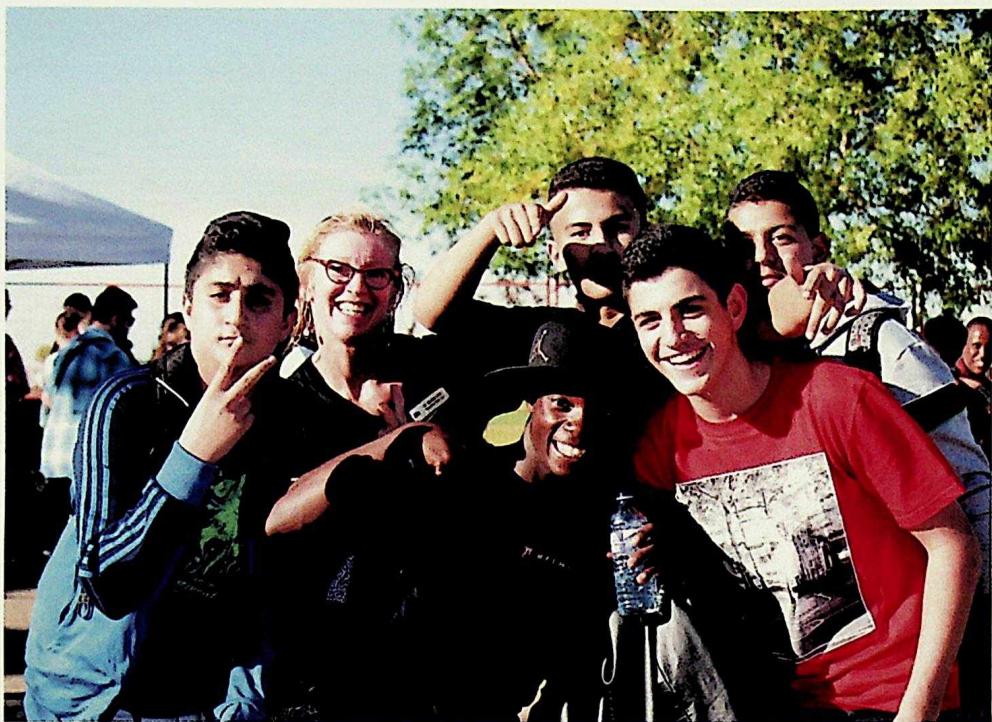

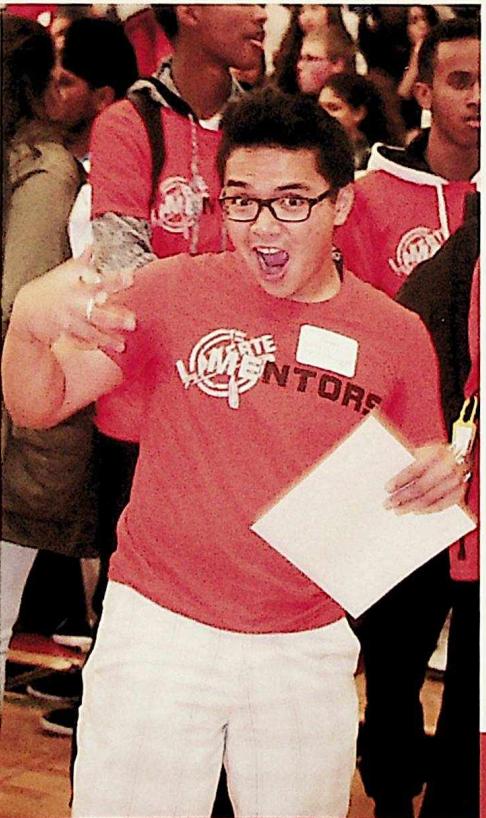

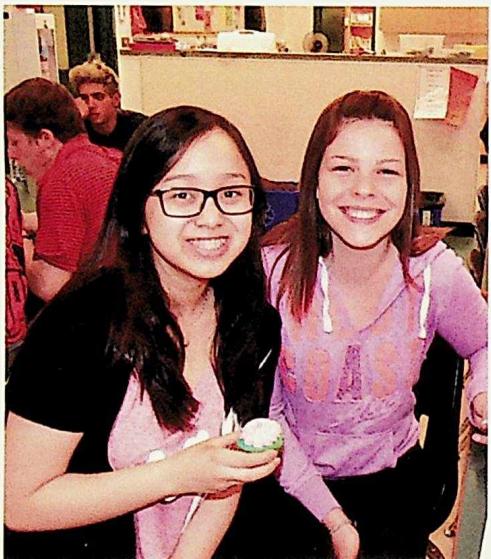

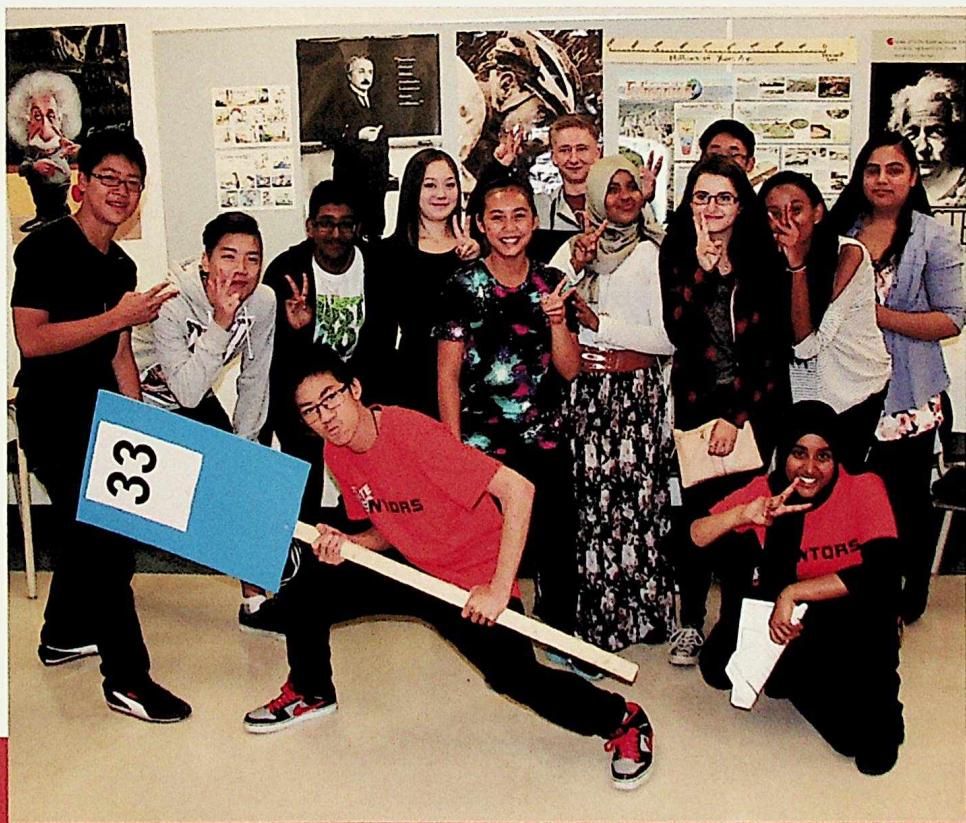

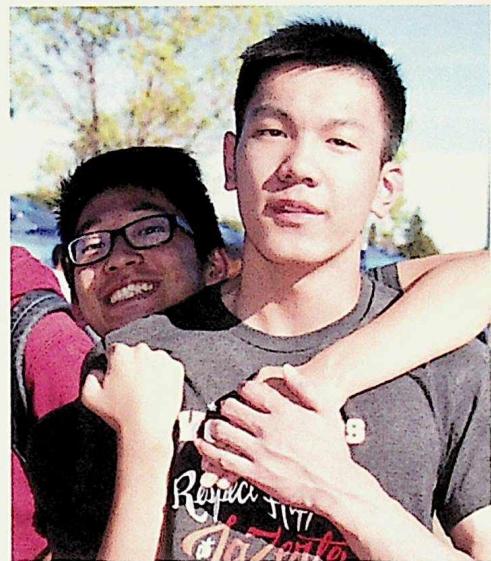

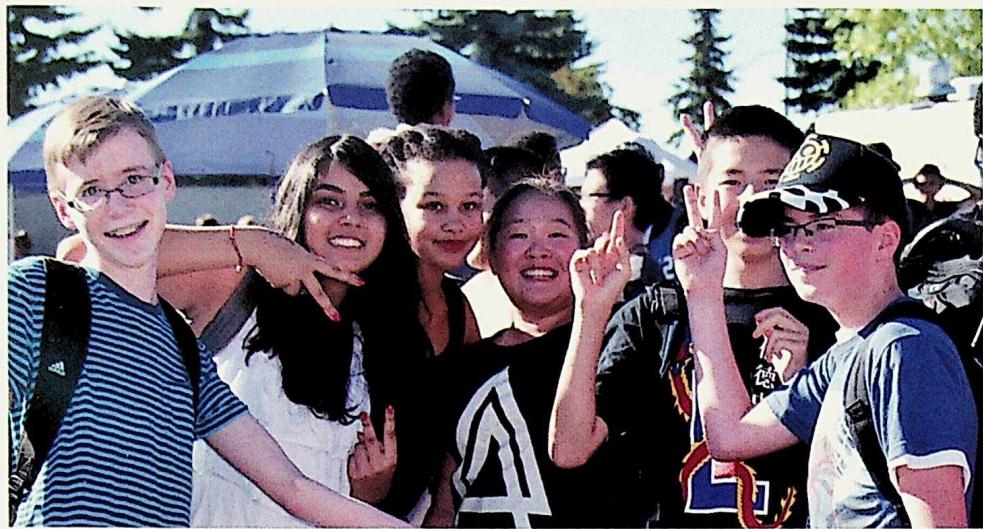

# S.U. President: Kiara Mah

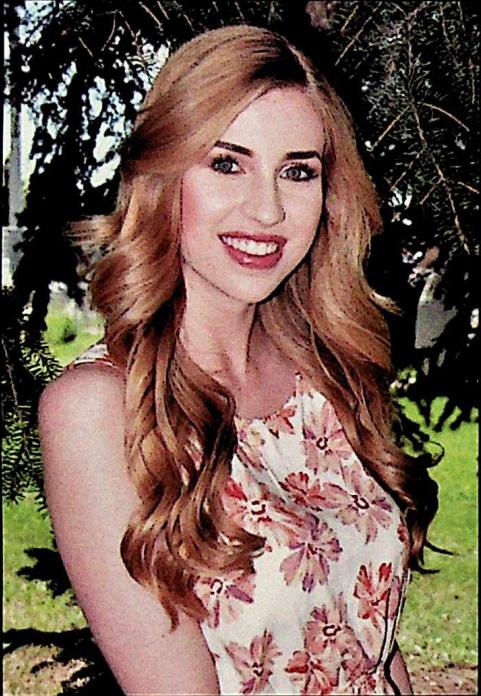

Wow! 2015-2016 was an incredible school year for all the students and staff here at LaZerte. I've had the honor of being elected Students' Union President and have had the pleasure this past year to have worked with so many innovative students ranging throughout the grades. Students' Union is so much more than just providing students with fun activities and stress busters to partake in with friends. We strive to make sure that no one is left out and that everyone has a place where they belong within our school. Whether it's joining one of many clubs and extracurricular programs we offer, such as Green Team, Chinese yo-yo, BBoy/BGirl Club, Debate Club, Pride Club, Social Justice, or even joining the many committees on Students' Union that help make LaZerte a very lively place to be! Our goal was to ensure that the events put on, gave students the chance to let loose outside the regular school norm and to experience what LaZerte is all about. This year, we were very pleased to have had a Wake-A-Thon focused on PTSD and mental health- something that is often times overlooked amongst youth- which ultimately was a great cause to raise awareness and funds for! We had many popular events, including LaZerte Idol, STOMP the Atrium, our annual Community Christmas Party, Touch of Class, Year End and New Year Carnivals, as well as our most anticipated event, Taste of LaZerte- which showcases the many diverse cultures that we embrace and celebrate together as a whole! Many, if not all of our events wouldn't happen if it wasn't for you. Your involvement in the many events is what helps build connections throughout the school and what helps strengthen our school pride and community. I want to sincerely thank those of you who took the time to come check out the many events and to those who participated in many of them as well! Seeing the great big smiles you all wore while creating unforgettable memories was very rewarding for us on Students' Union! A great big thank you goes out to two incredible women who are the faces of leadership here at LaZerte- Mrs.Kofluk and Ms.Law. Thank you for always keeping leadership and Students' Union organized and very eventful for everyone! Lastly, thank you to all for a very flipping amazing year here at LaZerte!

# The Yearbook Team 2016

Ashley Matheson

Cindy Phan

Haley Hoff

As you flip through the final pages of the yearbook, take the time to reflect back to your time at M.E. LaZerte. Whether it has been one of the highlights of your life, or just a small chapter of what's to come, remember to keep yourself open to new opportunities and experiences that life will bring. The organizations and clubs at M.E. LaZerte have provided many options not only get involved within the school, but the community as well. While attending LaZerte, I became a part of the yearbook team, and have had the privilege of

documenting and photographing the irreplaceable memories and events that took place during the school year. Having the opportunity to be on the yearbook team for the past three years has been an incredible experience for me. I've been extremely fortunate to work with the talented and extraordinary yearbook team, who contributed their unique visions and flair to create this book filled with high school memories. I would like to extend my gratitude to Cindy Phan and Haley Hoff for the countless hours and the enormous dedication

that was required to construct the yearbook; as well as express my gratefulness to the devoted yearbook advisor, Frank Candido. It has been an honor working with such an amazing team, with an advisor who has been so supportive and inspiring.

To the class of 2016, it's been a pleasure knowing you, and best wishes with your future endeavors.

Your editor,

Ashley Matheson
